To whom it may concern

STA, the Spanish Society of Automotive Engineers is very pleased to invite the **MCET Renn Team**, from the Dr. Mahalingam College of Engineering and Technology in India (Pollachi), to visit and take part of the 5th Edition of the Formula Student Spain, which will take place in the Barcelona-Catalunya Circuit, located in the city of Montmeló (Spain), from August 27th to 31st, 2014.

Formula Student competition is an international event that gathers teams coming from worldwide nations and challenges teams of university undergraduate and graduate students to conceive, design, fabricate and compete with small, formula style, autocross racing cars, encouraging them in their creativity attitudes, know-how and team spirit.

In order to prepare the vehicle, team members are going to arrive to Barcelona on August, the 26th, and will depart to India on September, the 4th, after dealing with the transfer of materials and the vehicle.

Team members from Dr. Mahalingam College of Engineering and Technology will stay Sidorme Barcelona-Granollers Hotel, next to the Circuit.

The following team members will come to Spain for the event from August 27th to 31st, 2014:
