Dr.Mahalingam College of Engineering and Technology (Autonomous), Pollachi – 642003.

Name of the Centre of Excellence with logo	MCET – HARITA TECHSERV Centre for New Product Development	
Name of the industry Sponsored	Dassault Systemes	
Date of Establishment	05/09/2014	
Area of the Centre (Sq.M)	74 Sq.M	
	Amount (in Lakhs) (Establishment Charges)	**Type of Training**	**Equipment / Software / Infrastructure etc.**
Contribution by Management	44 Lakhs	CAD/Digital Manufacturing	Equipment & Infrastructure
Contribution by partnering Institution	200 Crores worth softwares	FDPs	CAD & Digital Manufacturing Softwares
Key features of the Centre	An exclusive centre that houses Dassault Systemes softwares like CATIA and DELMIA for Digital Product Design and Manufacturing.	
Objective	➢ To enable student's researchers to learn and conduct research. ➢ Harita Techserv identified experts will periodically mentor, progress monitor the faculty member's research design, skill development, engineering research activities, performances. They will also evaluate the student researcher's learning progression and give additional inputs if required. ➢ Harita Techserv would conduct "Campus Placement Drive" for recruiting "Trainee Engineers" from amongst the student researchers. ➢ Harita Techserv may depute technical experts in specific domains to give technical seminars; research highlights and also addresses specific case studies with student researchers.	
List of Courses Offered (Thrust areas / specific domain)	➢ Basic Solid and Surface Modeling using CATIA V6 and DELMIA V5	

Note: The table header row spans columns differently; the three-column layout applies to the Contribution rows.
