

Annual Report of Controller of Examinations

Brief history and work load in the controller of Examination Office:

MCET is committed to impart high quality, competency based education in engineering & technology to the youth & members of the community with the required skills & ability to face the challenging needs of the industry to face the challenging needs of the industry around the globe with continual improvement around the globe with continual improvement in academic, co-curricular and extracurricular activities and up gradation of faculty and facilities.

Examination cell of MCET shall achieve its goals by:

High speed data retrieval

Computerization of all activities & resources

Paperless system

Infrastructure development with levels of security

Human resource development

We shall measure, analyze and continually improve our processes as per requirements & hence strive to improve satisfaction level of our services.

We maintained certain standards and quality measures for examiners.

The Question paper setters and Reviewer are called based upon their experience 10+ years and above. For External examiners it should be 5+ years and for Hall Invigilators it should be 3 + years

The CoE Office major activities involved in:

- Framing of CCET and ESE schedule every semester.
- Planning, organizing and conduct of internal tests.
- Course and exam registration.
- Planning, organizing and conduct of end semester practical and theory examinations.
- Planning, organizing and conduct of central valuation.
- Processing, Approving (Result Passing Board) and Publication of results of autonomous examinations.
- Printing and distribution of Grade sheets.
- Recommending graduates for award of degrees by the University.
- Printing and distribution of Transfer Certificate and Course Completion Certificate.

- Procurement and maintenance of exam stationery.

Autonomous Examination Activities of ODD Semester (2012-2013)

Autonomous Examination Activities of Even Semester (15-16)

Conduct and organizing End Semester Practical Examinations – April/May'2016

- Phase I : 27.04.16 to 29.04.16
- Phase II : 30.04.16 to 10.06.2016
- 144 Courses & 20 External Examiners, 392 Internal Examiners, 11 Squad members.

Conduct of End Semester Theory Examinations - April / May'16

- Phase I : 30.04.16 to 10.06.2016
- 470 Courses, - 3 University Representatives, – 804 Internal Invigilators, 122 Reserved Invigilators.

Collection of Question Papers

- QP Collected 807, Reviewed 807, used 470 (Regular – 161, Arrear - 309)

Conduct of Central Valuation

- Phase I - 09.05.16
- 25 External Examiners (Ph.D. holders – 20, others-5), 23 Internal Examiners, 3 Chief Examiners, / 8 Chairmen.
- Phase II - 12.06.16
- 116 External Examiners (Ph.D. – 86, Others - 30), 85 Internal Examiners, 32 Chief Examiners, 14 Chairmen.

Currently Exam cell activity mostly includes a lot of system driven and partially automated and is mostly paperless based. The project aims to bring in a centralized system that will ensure the activities in the context of an examination that can be effectively managed. This system allows students to enroll themselves into the system/ mobile by registering their courses by sharing details to admin. This is done by providing their personal and all the necessary details like Name, email, examination, semester, etc. The provided detail are then entered by admin into the system to create their hall tickets and also creates login id and password for them.

After generating the hall ticket, the system mails the hard copy to every student who have registered. Office of CoE is also responsible for generation of grade sheets for every registered student. There will be total eight semesters where each semester contains maximum six theory courses and 2 practical courses. The faculty can enter their internal marks and attendance and internal marks from their end through Mobile and desktop through MCETEdu App...Office of CoE can fetch the data from the database and manipulate the marks of every student into their respective grade sheet using the system's GUI or via Database entry. Every student grade sheet will be created and printed separately. Thus on a whole it serves as a complete automated software which handles the every tedious and complex process handled during the examination times by the exam cell of a college.
