

Programmes Conducted during the year 2014-2015 (June 2014-May2015)

S.No	Programme	Date	Title
1	National Workshop	22.08.2014 to 23.08.2014	RF Design and Wireless Technologies
2.	National Seminar	28.03.2015	One Day Seminar on Electromagnetic Compatibility (EMC) - Education, Industrial and Research Perspectives
3.	National Workshop	30.03.2015 to 31.03.2015	Workshop on Advanced Digital Signal Processing with MATLAB
4.	National Workshop	10.04.2015 to 11.04.2015	Workshop on System Design using FPGA
