To conduct stream-wise Career Orientation programme for the students.	• A seminar on "Research Challenges in Wireless Networks and Hands on training using Qualnet & OPNET" was organized by the department of ECE during 21-22, August 2015. Four internal and 26 external participants benefitted. • Career Orientation Programme was organised separately for the students of each stream. Industry expectations have been shared by senior industrialists and also expectations from young graduates for being role ready had been clearly spelt by invited alumni.
To cultivate quality yardsticks to enhance communication skills among students.	• To enhance and foster English communicative competence among students in order to meet out the requirement of global job avenues, a new module "Speaking Activity" for first year students and "LSRW activities" for the second and third years is introduced.
Orientation for Faculty on Quality Teaching	• Four week AICTE approved FDP by IIT Bombay on "Use of ICT in Education for Online and Blended Learning" was conducted by IIT-B Remote Center, MCET from 02.05.2016 to10.07.2016. 25 staff and students benefitted. • A workshop on "Writing Skills" was organised by the department of English during 17-18 June, 2015. 45 faculty members from all the departments participated in the workshop. • "Faculty orientation program for newly joined Faculty members" of MCET was organized by Faculty Development Centre from 17.08.2015 to 28.08.2015. 33 faculty members benefitted.

To adopt quality teaching learning methods with the use of ICT	• IIT Bombay & Kharagpur -Remote Center activities at MCET (Remote Center Id: 1235) • Two-Week ISTE STTP on "Environmental Studies" was orgniased by Science & Humanities, Civil, Mechanical, Automobile engineering department during 2-12, June 2015. 14 faculty members benefitted. • Workshop on "Technical Communication" was orgniased by IT Stream from November 30, 2015 to December 4, 2015. 20 faculty members benefitted. • Five week ISTE STTP on "Technical Communication for STEM faculty (Online Mode)" was conducted by Civil Engineering department at IITB Remote Center, MCET from 08.10.2015 to 18.11.2015. • Two-Week ISTE STTP on "Engineering Physics" was orgniased by Science & Humanities during 8-18, December 2015. 18 faculty members benefitted. • IIT Bombay sponsored Massive Open Online Course (MOOC) on Thermodynamics was organized by the department of Mech. Engineering at IIT Remote Centre, MCET during July-Dec.2015. 25 second year Mechanical and Automobile students benefitted. • Two-Week ISTE STTP on "Introduction to Structural Engineering" was orgniased by Civil Engineering department during January 4-9, 2016. 30 faculty members benefitted.

Two-Week ISTE STTP on "Engineering Physics" on December 18, 2015

Two-Week ISTE STTP on "Introduction to Structural Engineering" on January 9, 2016

To adopt quality teaching learning methods with the use of ICT	• Four Week AICTE approved FDP by IITB on "Use of ICT in Education for Online and Blended Learning"was orgniased by CSE department from May 2, 2016 to July 10, 2016. 25 faculty members benefitted. • Online resources like Massive Open Online Course (MOOC) and Spoken Tutorial have been put to use for enhancing the learning experience of students. Selected modules of NPTEL lectures are made available in DSPACE, the college intranet portal carrying learning resources for immediate reference. The college is the nodal centre for the IIT Bombay and IIT Kharagpur online STTPs. The college is conducting the STTPs for the benefit of the faculty members of external colleges and also internal faculty members.
To conduct Quality Audit	Process Audit has been conductedduring 5-6, May 2016.

∗Attach the Academic Calendar of the year as Annexure.(Please see Annexure II)

2.15 Whether the AQAR was placed in statutory body   Yes   ✓   No ☐

Management   ✓   Syndicate   ☐   Any other body   ☐

Provide the details of the action taken

> ➢ This AQAR was placed for perusal by the college administration team before submission.
> ➢ The report was checked by the members of the administration team.
> ➢ Suggestions and comments for improvement were incorporated through minor corrections.

1.4 Whether there is any revision/update of regulation or syllabi, if yes, mention their salient aspects

.

Yes.

- New curriculum and regulations based on Choice Based Credit System were adopted for all B.E. programmeswith effect from the Academic year 2016-17. Its salient features are:
    - Provides enhanced learning opportunities.
    - Holds all the features of academic reforms with a scope for flexibility in course offerings with all facilities for skill practice that they could learn in depth without sacrificing their creativity.
    - Provides learners' centric approach and helps self learning.
    - Enables the learners to make their choice among Core and Elective courses that imparts knowledge, skill and competency oriented education.
    - Makes the use of expertise of faculty across various disciplines through interdisciplinary approach (by learning open electives).

- Curriculum was designed to improve Professional Skills of the learners in addition to Technical Skills. In order to improve the technical skills of the students, more emphasis on fundamental courses and Theory with integrated lab component are followed.

- Syllabus for B.E. Mechanical Engineering V and VI semester subjects were developed based on the survey from various industries in and around Tamilnadu.

- 2014 Regulation (Revision 1) has been introduced for 2015-2016 admitted batch students. Third and fourth semester syllabus updated.

- New elective subject titled "Agile software development" in association with Infosys was introduced in Semester VIII of 2011 regulation in the department of CSE.

- Revision of curriculum and updates of the syllabus on par with the latest industrial standards were made in the department of Computer Applications (MCA). The curriculum was updated and the subjects such as Web programming (T&L), Web Application Development (T&L), Mobile Programming (Swift Programming), Software Testing Lab, Big Data Analytics and Cloud Computingare treated as Core papers along with lab components.

1.5 Any new Department/Centre introduced during the year. If yes, give details.

- **Signing of MoU with Career Zone** MoU was signed with Career Zone on 19th February 2015.

- Inauguration of Study International Academy (SIA)SIA centre o29.06.2015n at MCET campus with realistic Vision of a team of members with rich expertise in the field of Overseas education for more than a decade. It assists the aspiring students to pursue education in Overseas Educational Institutions. It offers complete solution to chart students career in the right path.

- Bosch Diesel System Centre was established and Memorandum of Understanding (MOU) was signed on 07.12.2015 in the department of Automobile Engineering.

- MoU was signed between NIA Educational Institutions and The Coimbatore Productivity Council on 14.03.2016 for a period of one year. 150 Automobile and Mechanical Engineering students participated.

- MoU was signed between MCET and Mitsubishi Electric India Pvt. Ltd., Gurgaon and Mitsubishi Electric India Centre for Factory Automation was established at MCET campus on 06.04.2016 by Shri. Hiroshi Kitamura, GM, Mitsubishi Electric India Pvt. Ltd., Pune. Shri. Rameshchandra Bhorania, AGM and Shri. Manoj Gupta, Senior Manager of Mitsubishi Electric India Pvt. Ltd., Gurgaon also attended the inaugural function. An amount of Rs.8.1 Lakh was invested for purchasing of Automation & Mechatronics Trainer Kits (4 Nos.) to this centre.

- Factory Automation Centre was establied with Mitsubishi Electric India on 04.05.16 for circuit stream departments.

- 25 Mtr Short Firing Range for NCC Cadets was inaugurated by Er. R. Elangovan, M.E., Superintendent Engineer, PWD, Pollachi on 26.01.2016.

2.6 Innovative processes adopted by the institution in Teaching and Learning:

> **Teaching:**
> - Stimulating peer group interaction among students to improve communication skills
> - Establishing "Centre of Excellence" through which students can consolidate their theoretical knowledge by doing practical exercises and undertaking simple projects.
> - Initiatives started for adopting active learning techniques for enriched learning experience of students.
> - Motivating students to self-study the assigned unit in selected courses

> ➢ "Teaching Learning Series"- Workshop for faculty members by an eminent professor from Canada.
> ➢ Outcome Based Curriculum emphasizing the development of professional skills

Learning:

> ➢ Utilizing e-learning resources.
> ➢ Internship to students in Industry in the final year.
> ➢ Expert Lectures / Invited Talks by eminent persons from industry and reputed institutions.
> ➢ Trainings on Value Added courses.
> ➢ Regular stage presentations by students on the topics being taught and /or new learning
> ➢ Industrial/Field Visits to equip students with knowledge of current industry practices and requirements
> ➢ Use of video lectures of eminent IIT professors (available through NMEICT) and NPTEL.
> ➢ Introducing the software "Inpods" for an online interaction between teacher and a student to share post and receive the teaching content and assessment with the view of easy access to learning.
> ➢ Enriching students intellectual calibre in the area of communication skills through LSRW practice and assessing their performance periodically.

2.12 How does IQAC Contribute/Monitor/Evaluate the Teaching & Learning processes :

Teaching:
- Redesigning the syllabus based on the industry need
- Faculty Development programmes to enhance faculty competency.
- Preparation of course wise Design Document
- Organizing teaching learning process by the preparation of pedagogic contents like course plan, lesson plan and learning materials.

Learning:
- Conduct of bridge course to groom students on the fundamental to learn the foundation courses.
- Use of multi-mode learning experiences.
- Practical learning through industry visits and internships
- Offering value added courses for proficiency enhancement.
- Providing projects, term paper, quiz to assess the overall learning of students
- Students participation in national and international technical events like SUPRA, BAJA, Formula Student etc.,

Evaluation and Monitoring:
- Preparation of an academic calendar
- Hosting Class Committee Meeting to analyse the effectiveness of teaching and learning and the academic performance of students.
- Continuous evaluation through CCETs, Tutorials, Assignments, Seminar etc.
- Receiving students' feedback on teaching and employing it for supporting the faculty members to identify the outcome of teaching-learning for further improvement.
- Maintenance of assessment records in hard copy as well as in System software and Analysis
- Conduct of Academic Audits.

3. Research, Consultancy and Extension

3.1 Initiatives of the IQAC in Sensitizing/Promoting Research Climate in the institution

> - International conference on Renewable Energy and Sustainable Environment 2015 was organized at MCET in collaboration with Cape Breton University(CBU), Canada between the 10th and 13 August 2015, which was supported by the Department of Science and Technology and IEEE. NITTTR, Chennai, Karunya University and Periyar Maniammai University were the Academic Partners and Society for Educational and Entrepreneurship development (SEED) was the Knowledge Partner, and The Hindu was the media partner.
>
>   Research activities was jointly taken with the Memoranda of Understanding (MoU) signed eight leading companies viz. M/s Voltech Engineers (Pvt) Ltd, M/s Wind Stream Technologies India, Pvt Ltd, M/s Energy Alternatives India (EAI), M/s Butterfly Group of Companies, M/s India Pistons Ltd, M/s Core EL Technologies (I) Pvt Ltd, M/s SWELECT Energy Systems Ltd, M/s Institute for Solid Waste Research & Ecological Balance (INSWAREB) on 11.08.2015 to work jointly on future technology in the areas of energy and environment.
>
> - Encouraging the staff members to undertake major and minor research projects from external agencies and in-house R&D and also to organize seminars, workshops and conferences.
>
> - Motivating faculty members to publish research papers in journals.
>
> - Informing students about various fellowships available and encouraging them to apply for the same.

➢ Conducting Conferences, Workshop, Seminars and Guest Lecture on recent developments and opportunities in the technology innovations.

➢ Motivating the faculty members to pursue Ph.D.

➢ Providing institutional funds to students competition projects like SAE Supra, BAJA, GoKart by ISNEE and Formula Student

➢ Providing accessibility to refer online research journals of major professional bodies and societies.

➢ Under research in Solar &Wind hybrid system, the department of EEE has installed "1.4kW Solar Mill" (solar & wind hybrid systems) for an amount of Rs.1,30,000/-.

➢ A research project titled "Rural Women Technology Park, Pollachi, Coimbatore District, Tamil Nadu" sponsored by the department of Science and Technology, Science for Equity Empowerment & Development (SEED) Division, New Delhi (DST Ref. No.: SSD/WS/058/2012/C dated 23rd July 2015) is carried out with the following objectives:

 • Production of Virgin Coconut Oil (VCO) and Value-added Products from its By-Products.
 • Minimal Processing of Ready-to-Cook (RTC) Fresh-cut Vegetables.

An amount of Rs.38,42,397 was sanctioned on 7.10.2015 for a period of three years.

The details of the consultancy activities made during the academic year 2015-16 are given below:

Centre for Design Analysis & Testing

Centre for Design, Analysis & Testing (C-DAT) provides "Concept to Product Design" solution to Automotive & Industrial Domains. Activities include Design Engineering & Modelling, Computer Aided Engineering, Analysis & Testing. C-DAT leverages on the extensive experience, expertise and strength of M/s. Sakthi Auto Component & Department of Mechanical Engineering, Dr.Mahalingam College of Engineering & Technology. C-DAT is the ISO 9001:2008 certified center to Design, Analysis and Testing the automotive component.

The main objectives of the C-DAT are 1) provides design solution to industries through analysis and testing with sophisticated software and with latest testing facilities 2) Promote joint ventures with industries and academic institutions. 3) Identify industry need based projects and convert students projects to benefit both. 4) Accommodate other Academic Research projects in the area of fatigue and Impact assessment of mechanical components. 5) Promote consultancy to industry and training their personnel.

Consultancy activities have been carried out with Maruti Suzuki India Ltd., General Motor, Ilgin Hyundai, Ford, Honda, Fiat, Renault Nissan and Mahindra & Mahindra.

MCET - Centre for Research on Green Energy and Environment

Energy and Environment are essential for sustainable developmentand for improving the quality of human life. In this regard, the Centre for Research on Green Energy and Environment was established in MCET in the year 2010. This Centre contributes to the research base in the areas of green energy and environment that helps in protecting our natural world, while clearly defining the opportunities that arise as we shift towards a greener economy. To achieve its objective, the centre has been working on various aspects of renewable energy utilization and

technology development in collaboration with other research institutions, implementing agencies and industries.

Consultancy Activities were made in the following industries during 2015-2016

Sl.NO	Industry Name	Audit Date	Audit Type
1	India pistons Ltd(Ring Plant II), Chennai	17.06.2015	Detailed Power Quality(PQ) Audit and Detuned filter installation

> - Faculty are advised to submit proposal for various funding agencies.
>
> - Internal funding provisions from the institute for research works by staff andstudents
>
> - Sponsoring staff and students for presentation/participation in national andinternational conferences, seminars
>
> - Subscribing for significant e-journals for motivating and facilitating research
>
> - Weekly review of work progress of PhD scholars by senior faculty members,Principal and academic director.

6.3.5   Library, ICT and physical infrastructure / instrumentation

> - To improve the quality, The Central Library has Readers Club which is designed to encourage students to read for pleasure, develop attitude and to promote library usage and ultimately help self-development. Hence, the Central library conducted workshop on News Inforgraphics, Literature Day events, Reading Carnival, Events related to reading and writing for Library week, Motivational programs like Guess Me, Times of MCET, Infini thoughts, Scientific MCETian, Page to Stage and Snapshot Autobiography throughReaderspark. We have improved the physical infrastructure of the Library through various sections like Lending Section, Reference Section, Gratis Section, Journal Section and Gandhian Study Centre. The library provides Document Delivery Service through DELNET, Clipping Service, Open Access Facility with Subject Guide Boards.
>
> - Elaborate library with abundantpiling of text and reference books.
>
> - Multimedia Library for e-learning
>
> - Software tracking of books transactions.

➢ E-Journals of major professional bodies and publishers.

➢ Readers Club to promote and motivate reading habit among students

➢ Study Centre that houses the books, speeches and videos of great leaders like Swami Vivekananda, Mahatma Gandhi and saints like Ramalinga Vallalar.

➢ Vast collection of books on varied subjects as gratis display

➢ A tranquil journal section for journal accessing and research

6.3.6 Human Resource Management

➢ To recruit the staff with the necessary skills and attributes to enable to the institution to full fills its aims and objectives.

➢ Providing employees with individual and family welfare measures.

➢ Thrift Society- a cooperative society - for helping the staff members with financial aids like arrangement of loan, fixed deposits etc.

➢ Assessing performance through annual self-appraisal for promotion and incentives

➢ Organising Faculty development programmes, pedagogical trainings and orientation activities for update of the faculty competence.

➢ Encouraging faculty members to undergo training for enhancing the quality of teaching.

➢ Creating infrastructural and monetary ambience for motivating research among faculty and students.

➢ Managing student affairs, student grievances and requirements through student guild of services.

➢ Counselling and mentoring of students by faculty and a qualified counsellor.

6.3.7 Faculty and Staff recruitment

> Faculty and staff recruitment is done as when needed in order to maintain the faculty student ratio as per norms.

> Advertisements are posted in the leading newspapers and magazines informingthe status of vacancy areas and prescribed norms for selection.

> Applications are shortlisted and screened candidates are called for interview with proper intimation.

> A constituted panel of interviewers comprising the administration team, senior faculty members of the college and external subject matter experts conduct interview for faculty/staff selection

> Applicants selected are appointed on probation and a permanent position is offered by the Management after assessment of their performance.

> Promotions are awarded to internal faculty and staff members by appearing the performance appraisal interview individually. Self-appraisal of performance is submitted by all faculty and staff annually for continuous evaluation.

6.3.8 Industry Interaction / Collaboration

> Fostering collaborations and signing MoUs with industries and universities to work together across departments for fruitful sharing of knowledge and facilities and to spawn productive interactions.

> Hosting mutually beneficial interactions with industry experts from the reputed firms as part of orientation to students to make them role-ready.

> Facilitating the students for industry visits, in-plant training, and internship in the industry.

- Centres of Excellence for learning via practical mode. One credit courses handled partly by industry experts.

- Periodical visits to the industry for update of technology and its adaptation and implementation to ensure the sheer development.

- Expert suggestions by industry personnel as BoS members in formulating curriculum and syllabus.

- Interaction with companies as part of consultancy through C-DAT, Siemens centre of excellence and training to industry personnel through centres of excellence.

- 15 Students and one faculty member from the department of Mechanical engineering underwent five days training in Foundry from 22.02.2016 to 26.02.2016 at Sakthi Auto Components, Erode.

- 15 Students and one faculty member from the department of Mechanical engineering underwent 15 days training in Foundry from 23.05.2016 to 4.06.2016 at Sakthi Auto Components, Erode.

- 15 Students and three faculty members from the department of Mechanical engineering underwent five days training at Roots industries india Pvt Ltd – Coimbatore.

- 15 Students and two faculty members from the department of Mechanical engineering underwent 15 days Internship training at Roots industries india Pvt Ltd – Coimbatore.

- 100 students from Final year Mechanical Engineering underwent Internship in 40 Companies like Sakthi Auto components, Ashok Leyland, BMEL, Infosys etc.,

- Adopted Industry Attachment Program (IAP) for students of II year. The IAP comprises of training in selected industry for 2 weeks, 4 weeks and 12 weeks (during semester holidays).

- 15 students in Automobile Engineering underwent training in Roots Industries and Sakthi Auto Components, Coimbatore through IAP.

- Faculty in Automobile engineering visited the following industries for curriculum review and industry tieups: Butterfly India, Faurecia, SEZ Developers, Ashley Alteams, TAFE, India Pistons, Nissan, TCL, Gamesa, Bimetal Bearings Ltd, ROOTs Industries, Sakthi Auto components Ltd.

- 56 students of final year BE Civil Engineering got internship during the academic year 2015-16 as a result of close industry interaction.

- Industrial training was arranged for students and faculty members of EEE department.

- Industrial visits, in-plant training, Placements undertaken for Students.

- Power Quality Audits conducted for different industries.

- Project Proposals submitted to various funding agencies in collaboration with industries.

- Promote R & D activities for live industrial problems.

- Offer value added courses in association with industry to students.

- Designing industry driven curriculum with the guidance of Industry.

- Senior Faculty members participated in the workshop on "OBE - Curriculum Redesign Process" by Dr.Kovaichelvan, VP/TVS Motors, Hosur & Mr.P.Srinivasaragavan, Consultant, TVS Motors, HosurTVS Motors,Hosur & IQLC, Hosur on 25.04.2016 & 26.04.2016.

6.3.9   Admission of Students

- Admission of students as per norms of University, UGC and government and through single window system.

6.4 Welfare schemes for

Teaching / Non teaching	Superrannuation benefits of EPF, Family Pension Scheme
	Medi Guard Policy
	Employees Group Insurance
	Staff Family Benefit Fund
	Blazer – 50% of cost will borne by the institution
	Provide overcoat to all female staff, 50% of cost will borne by the institution
	Provide shoe once in 2 year, 50% cost of shoe or maximum Rs.500/- whichever is less.
	50% Tuition fees shall be reimbursed in respect of those who have been permitted to undergo Regular Higher studies
	Provide Bus Facilities to our Staff and student are coming from various places to our institution
	Hygienic canteens are available for Staff / Student
	Provide Medical facilities to our Staff / Student and doctor is available in our institution
	Faculty Deputation – Training provided within and outside the country / Industry
	FDP Program sponsorship provided to Teaching / Non-Teaching staff
	Leave: CL, EL, Medical Leave & maternity Leave
	Vacation Leave (Summer, Winter)
	EL Encashment 9 days per year
	On Duty 21 days per Year for teaching staff
	Ph.D OD 14 days per year
	Bank Loan facilities
	Travel Desk – Ticket arrangements
	Internet Browsing
	Gratuity Scheme

Students	1) Tamil Nadu State Government Scholarship for BC / MBC Welfare
	2) Tamil Nadu State Government Scholarship for SC / ST Welfare
	3) Minority Scholarship (Merit Cum Means Based Scholarship) for Minority welfare
	4) Students Safety Insurance Scheme (Group Insurance in United India Insurance)
	5) Travel Desk – Train, flight and bus ticket can be biked
	6) Book Depot – Stationary and general commodities are sold at cheaper rate
	7) Medical facilities provided to the students

6.5 Total corpus fund generated   Rs. 4,41,37,972

6.6 Whether annual financial audit has been done?   ✓ Yes   ☐ No

6.7 Whether Academic and Administrative Audit (AAA) has been done?

Audit Type	External	Internal			
	Yes/No			Yes/No	Authority
Academic	No	Internal Academic Audit (IAA) conducted		Yes	Principal
Administrative	No			Yes	Principal

6.8 Does the University/ Autonomous College declares results within 30 days?

For UG Programmes   Yes ✓   No ☐

For PG Programmes   Yes ✓   No ☐

6.9 What efforts are made by the University/ Autonomous College for Examination Reforms?

1. Internal: 75 Marks & External: 25 Marks for Practical exam

2. Setting question papers as per Bloom's Taxonomy by Co-Creation of Question Papers with Internal Examiners

3. One Credit Course

4. Competence and Character Development Activities

5. 2 to 4 series of Question Papers for Multi Section Courses

6. Student information with Dummy number is affixing in the front sheet of answer booklets

7. Hall ticket with seating and hall allocation

8. Question papers set in tune with the course outcomes so that the achievement of course outcomes and hence programme outcomes can be measured.

9. Entry of Continuous and Comprehensive Evaluation Test marks and attendance in intranet portal and automatic calculation of attendance and end semester marks.

10. Provision for issuing the photocopy of the answer scripts for challenge re-valuation   by students.

11. Analysis of results for academic improvement

12. Introducing use of InPods software for online assessment and evaluation

6.10 What efforts are made by the University to promote autonomy in the affiliated/constituent colleges?

> ➢ The constructive changes that are brought in by the college in the form of curriculum, syllabus framing, revisions in the academic and examination processes are put forward to the university nominees who are members of the BoS and Academic council for consideration and approval. The college has taken up the mantle of introducing OBE with introduction of new courses and revisions in the existing courses.

6.11 Activities and support from the Alumni Association

> ➢ Industrious interaction of alumni to nurture the young people with proper guidance, counsel and update with novel trends in technology and job market to have role readiness attitude. Co-ordinated with departments and conducted alumni-students interaction.
>
> ➢ Alumni Association for steering the students to know the opening of job avenues abroad and for pursuing higher studies.
>
> ➢ Obtaining alumni suggestionsduring BoS meeting on industry expectations that help restructuring of curriculum and teaching -learning process.
>
> ➢ Endowment funds from Alumni Association for encouraging the best performing students with cash awards and prizes.
>
> ➢ Slam Book Preparation for 2012-16 Batch.
>
> ➢ Alumni ID card Preparation for 2012-16 Batch
>
> **(For details please see Annexure XXIX)**

6.12 Activities and support from the Parent – Teacher Association

> ➢ Constructive suggestions from parents through parents meeting have enabled the administration to understand their aspirations and better functioning of the college

Parents Meeting held on 20.06.2015

6.13 Development programmes for support staff

> Provision for part-time study for staff members.

> In house staff development programmes (fluid power and applications)

> FDP Program sponsorship provided to Non-Teaching staff.

> Mr. C.Settu, Technical Asst., Department of Mechanical Engineering attended two weeks Industrial Training Programme at Roots Industries Coimbatore.

> Mr. K.Arul Prasad, Lab Asst. Department of Mechanical Engineering Attended one week Industrial Training Programme at Roots Industries Coimbatore.

> Mr.C.Manimaraboopathy, Machinist, Department of Mechanical Engineering attended one month Industrial Training Programme at GTTI, Coimbatore.

> Mr. N. Dharmaraj, Lab Assistant, Department of Civil Engineering attended a training programme on "Handling of Precision Plastic Injection Moulding Machines" at Bharat Plast from 23-11-2015 to 25-11-2015.

> Mr. P. Sakthivel, Lab Assistant, Department of Civil Engineering attended A Short Term Course on "Material Testing" at PWD Materials testing centre, PWD, Pollachi on 01-04-2016 & 31-05-2016.

6.14 Initiatives taken by the institution to make the campus eco-friendly

> International conference on Renewable Energy and Sustainable Environment 2015 was organized at MCET in collaboration with Cape Breton University(CBU), Canada between the 10th and 13 August 2015, which was supported by the Department of Science and Technology and IEEE. NITTTR, Chennai, Karunya University and Periyar Maniammai University were the Academic Partners and Society for Educational and Entrepreneurship development (SEED) was the Knowledge Partner, and The Hindu was the media partner.

7. Innovations and Best Practices

The innovative measures are instituted primarily to elevate standard in quality of education:

➢ Entrepreneurship awareness created during STEP programs with Alumni, Entrepreneurs and CIBIE- Chief Coordinator.

➢ "Innofest" startup showcase and Idea pitching event was conducted and prizes given for best ideas.

➢ Incubation support/mentoring support given for best project ideas.

➢ Redesigning the curriculum and syllabi based on Outcome Based Education concepts mentored by Dr.Kovaichelvan, Senior Vice President, TVS Motor Company.

Outcome Based Education (OBE)

<u>Technical Skills</u>

Curriculum Development Process

➢ Curriculum development and establishing PEOs, POs, COs, POs Vs. COs is performed by getting the input from the stakeholders to develop the role ready engineer.

➢ Faculty team visits the industry to brief about the OBE process and specify the expected outcomes to the industry experts.

➢ Based on the inputs from the experts task analysis is performed and reviewed.

➢ Course Outcomes (COs) are framed based on Blooms Verb to promote higher order thinking skills among learners.

➢ Courses are offered in a combination of theory, tutorial and practical modes (Thematic Approach).

➢ Electives are offered based on learner's domain interest.

Teaching and Learning

➢ Active teaching learning strategies are practiced to develop a learner-centric approach.

➢ The faculty members are familiarized in this process by providing training on OBE, Teaching-Learning strategies, assessments & evaluation.

➢ Special coaching such as remedial classes, more tutorial sessions, extra laboratory sessions are used to improve slow learners performance.

Assessment and Attainment

➢ Internal and external examination questions are aligned with the COs.

➢ CO attainment target is fixed for every course.

➢ Course outcomes are assessed based on formative and summative assessment.

One Credit Courses

• To provide blended lecture and practical mode of instruction on special topics which are customized to students in collaboration with industries.

• Classes are handled by Internal faculty members and/or External experts from industries

Project

• Conducted in 2 phases (Phase I and II)

• Evaluation:

  • Internal Reviews

  • External Viva Voce

• Rubrics are followed for evaluating projects

Internship

• Students are encouraged to undergo internships in the final semesters.

• Final semester courses are completed in fast track mode to enable the students to undergo internship.

• At the end of internship, student shall present a technical seminar to review panel headed by one external examiner (from reputed industry)

Professional Skills Courses (PSC)

• Professional Skills courses, shortly PS courses, are those courses that are offered with the objective of enabling the students of the college imbibe all those skills that are needed to be successful in their professional and personal life. These courses are offered for developing the behavioral competencies of students.

- The regular courses help acquire knowledge and skill on technical subjects. The PS courses however bring in the appropriate mental awakening among the students in understanding, assimilating and demonstrating lifelong all those skills and virtues that bolster the strength and spirit to perform their duties to the highest level excellence, fairness and satisfaction to self and all concerned at all times.

Rationale:

Professional skills courses are the need of the hour for the following reasons:

- Great emphasis from employers for developing behavioral skills and attitude that are very difficult to develop at site.
- Neglect of upkeep of body and mind - wellness issues.
- Lack of purpose and hence focus in life
- Emotional instability and inability to make harmonious relations and work in team
- Inability to take up challenges and adapt to changes
- Compromise on morality and ethics

Courses offered:

- All PS courses are part of curriculum. They are considered as practical courses each with one credit. One course per each semester offered up to sixth semester. Each PS course is designed with the help of experts in the field detailing the syllabus, assessment and evaluation methodology.

So far the following courses have been designed and offered:

1. Promotion of students wellness – yoga & meditation for mental wellness
2. Sports for wellness - physical wellness
3. Personal effectiveness – goal setting and action orientation
4. Ethical and moral responsibility - upholding morality and ethics in profession and life
5. Teamness and interpersonal skills – team working and intra- and interpersonal understanding
6. Campus to corporate – practicing all that are learnt (to be designed).

Organization:

- The design and offering of the courses is being executed and monitored by the Professional Skills department with a senior faculty as the coordinator and senior faculty members from different departments serving as members of the apex committee.

- The offering of each course is overseen by facilitating faculty members while at the department level one or two faculty will be executing the actual delivery of the course. The courses unique in nature are well received by students and other stakeholders.

ONE CREDIT COURSES

- The Value Added Education Courses aim to provide additional learner centric graded skill oriented technical training with the primary objective of improving the employability skills of engineering students of MCET. Since the individual capabilities, aptitudes and needs of students vary widely, and since only 30 hours is available during regular contact hours for such value added courses, it is proposed to conduct one credit courses of 30 hours duration each semester for four semesters, as part of the curriculum.

  The main objectives of the program are:

  - To provide students an understanding of the expectations of industry.

  - To improve employability skills of engineering students of MCET.

  - To provide an opportunity to students to develop inter-disciplinary skills.

- Every student should opt for a minimum of four one credit courses. No additional fees or charges will have to be paid by the students for these mandatory courses. A VAE Course Management Committee shall be constituted for each stream, consisting of two HoDs from that stream as Stream Co-ordinator and Deputy Stream Co-ordinator respectively, the OCC Faculty Co-ordinator as Convener,

the OCC Faculty Advisors of each Department under that stream and two student co-ordinators from each Department under that stream. This Committee shall meet at least once every month to discuss the various issues related to Planning, Development and Conduct of OCC and VAE Courses of the concerned stream. The scheme of assessment and distribution of marks for each course is decided by the course faculty, and the details shall be provided in the proposal for each course in the course design template. The system of evaluation shall normally be continuous internal assessment by the course faculty and there will be no end semester examination. An exam at the end of the course may be conducted by the course faculty, as proposed in the scheme of assessment for that course.

➢ Inclusion of courses on Students Wellness in regular curriculum to impart the healthy habits of choosing nutritious food, practising regular physical exercises andmeditation.

➢ Offering specially designed courses on communication skills and special coaching to students in developing their communicative ability (LSRW practice sessions, and BEC using external resource persons)

➢ Introduction of active learning and mind mapping techniques in order to broaden the intellectual calibre of students.

➢ Offering one unit in syllabus for self-study to motivate students in self learning.

➢ Fast track semester for eligible students to enable them undertake industry internshipduring final semester

➢ Student talent pool development training to students of core and circuit branches by industry experts. This training develops analytical thinking and application of knowledge to industrial problem solving.

➢ Adopting stream concept to manage activities of allied departments.

➢ Instituting MoU's and Collaborations with leading corporate companies.Use of centres of excellence for skill development and undergoing one credit courses.

7.2 Provide the Action Taken Report (ATR) based on the plan of action decided upon at the beginning of the year

Plan of Action	Achievements
Process of Restructuring the Curriculum and Syllabus for Civil, IT and circuit streams based on Outcome Based Education.	• Curriculum and syllabi of Civil, IT and circuit streams are designed in consultation with industry specialists and educational expertsbased on OBE methodology. The suggestions from the stakeholders were well taken and incorporated. • Two workshops titled on "Outcome Based Education (OBE)" and "Developing the course content" were conducted for 170 staff members. • An orientation programe on "Sports for Wellness" was organized for 500 students.
Pedagogy Workshop	• Four Professional Skills (PS) III workshops, Active learning program-Phase –II" and a special lecture were conducted in different period of the academic year 2015-16. Around 250 staff members befitted. • MoU was signed between TVS Motor Company Ltd. Chennai and MCET for Collabrative Education Program on 06.08.2015. • Various Pedagogy related workshops were conducted and 107 faculty members benefitted. • Pedagogy training programs were conducted for 88 faculty members.

To conduct stream-wise Career Orientation programme for the students.	• A MoU was signed between MCET and M/s. Assistanz Technologies Private Limited on 29.06.2015 for placements, internships, training to faculty members and students for a period of 5 years and SAP SE - Walldorf, Deutschland on 28.09.2015 for one year by the department of IT. • STEP-UP (Students Talents Enhancement Programme) wasarranged on 19.12.2015, 09.01.2016, 30.01.2016, 23.01.2016, 27.02.2016 and 16.04.2016 for all branch students. • Interaction with students in the aspect of placement, recruitment process by experts from industries, several workshops, training and gueslectures related to career orientation programmes, Higher Studies and Competitive Exams forum were organised in this Academic year.
To cultivate quality yardsticks to enhance communication skills among students.	• To enhance and foster English communicative competence among students in order to meet out the requirement of global job avenues, a new module "Speaking Activity" for first year students and "LSRW activities" for the second and third years is introduced.
Orientation for Faculty on Quality Teaching	• Four week AICTE approved FDP on "Use of ICT in Education for Online and Blended Learning" , Workshop on "Writing Skills" and "Faculty orientation program for newly joined Faculty members" were organised.

To adopt quality teaching learning methods with the use of ICT	• The college is the nodal centre for the IIT Bombay and IIT Kharagpur online STTPs. The college is conducting the STTPs for the benefit of the faculty members of external colleges and also internal faculty members. • IIT Bombay & Kharagpur -Remote Center activities at MCET (Remote Center Id: 1235) like STTP on "Environmental Studies", "Technical Communication for STEM faculty (Online Mode)" "Engineering Physics" , "Use of ICT in Education for Online and Blended Learning", "Thermodynamics" and Two-Week ISTE STTP on "Introduction to Structural Engineering" were organied in this Academic year. • Online resources like Massive Open Online Course (MOOC) and Spoken Tutorial have been put to use for enhancing the learning experience of students. Selected modules of NPTEL lectures are made available in DSPACE, the college intranet portal carrying learning resources for immediate reference.
To conduct Quality Audit	Process Audit has been conducted during 5-6, May 2016.

NOTE: For more details of the above events, please see S.No. 2.15 Plan of Action by

IQAC/Outcome

7.3 Give two Best Practices of the institution *(please see the format in the NAAC Self-study Manuals)*

- **Introduction of courses to develop professional skills of students**

  Empowering students to realize their fullest potential through holistic development by offering courses on professional skills. Courses titled *Promotion of Students Wellness, Sports for Wellness, Communication Skills* have been designed with inputs from domain experts and offered to the first year students as part of their academics. Similar programmes will be offered in the ensuing semesters.

- **Outcome Based Education**

  Incorporating outcome based education methodology in all programmes with intensive inputs from stakeholders. Revising the curriculum, syllabus and evaluation methodology is done to ensure realization of stakeholder expectations.

- **Collaborative Education Programme with TVS Motors Company**

7.4 Contribution to environmental awareness / protection

- The Environmental club MCET was approved by the management on 26 August 2015. The club was successfully inaugurated on 10 September, 2015 by Ganesh Karthik, a nature conservationist. He addressed the gathering on "Sustainable Development". The first event conducted by the club was the poster designing on organic farming on 18 September 2016.

Establishment of medicinal plant garden

Cleaning the area for garden

Valediction

- The club was granted with an area by our collage management for creating a medicinal garden in our campus. The members of the club worked together for cleaning the place and planted a few medicinal saplings. The second event organized was the photography contest on the theme "The Birds Of Pollachi" on 19 October 2015. During February (10 feb 2016), selected members of the club visited Santhosh Farms, Kottur to witness the organic farming methods. Then on the eve of Uddesha on 12/03/16 the club organized an event "Vettaiyadu Vilaiyadu" which induced a thought of usage of toxic products in day today life and a treasure hunt. The last event for the academic year 2015-16 was "Squeeze your mind" with the theme deforestation on 12 April 2016. The activities of the club for the academic year 2015-16 was closed with the valediction on 13 April 2016, when Mr.Umesh Marudhachalam, wild life enthusiast, addressed the gathering on "Role of youth in eco-conservation".

International conference on "Renewable Energy and Sustainable Environment"   (RESE) 2016

International conference on Renewable Energy and Sustainable Environment 2015 was organized at MCET in collaboration with Cape Breton University(CBU), Canada between the 10th and 13 August 2015, which was supported by the Department of Science and Technology and IEEE. NITTTR, Chennai, Karunya University and Periyar Maniammai University were the Academic Partners and Society for Educational and Entrepreneurship development (SEED) was the Knowledge Partner, and The Hindu was the media partner.

Preconference Workshop on "CFD & Wind Energy Technology" by Dr.Kiran Bhaganagar, Associate Professor, University of Texas was conducted on 10.08.2015. The conference was inaugurated by Shri.Tarun Kapoor, IAS, Joint Secretary, MNRE, Govt. of India, New Delhi on 11.08.205 and presided over by Chairman, MCET. The Conference Proceedings, comprising of 59 papers on various aspects of renewable energy and sustainable environment, was released by the Chief Guest. All papers were presented in five concurrent sessions under six sub themes namely wind, solar, biogas/ biomass, energy and environment, sustainable environment and impact of industrialization on the environment. Mr.B.Venkateswara Rao, Director (Technical), India Renewable Energy Development Agency Limited (IREDA), New Delhi was the chief guest of valedictory function.

Exhibitors at RESE 2015: About 35 entrepreneurs and agencies involved in the Renewable Energy and Environmental Sustainability had displayed their products and activities. The exhibition was inaugurated by Shri.C.Kannan, Director (Finance) Solar Energy Corporation of India, New Delhi.

Sponsorship: 11 companies had generously contributed to the success of the conference through their sponsorships. M/s Sakthi Auto components Pvt.Ltd, M/s SreeNandeesTechnologies Pvt.Ltd., M/s SWELECT Energy Systems Ltd., M/s Caresoft Global Pvt. Ltd., M/s Nirmal Bio-Gen Limited, M/s ABT Ltd., M/s Mecton Training and Technical services Pvt. Ltd., M/s Chiranjjeevi Wind Energy Ltd., M/s VI Microsystems., M/s Voltech Engineers (Pvt) Ltd., and M/s Butterfly Group of Companies.

Memorandum of Agreement (MoA) was signed with Karunya University and Periyar Maniammai Institute of Science and Technology on 11.08.2015 to take up joint research in the field of energy and environment, leveraging on the research capabilities of both partners and MCET and **Memoranda of Understanding (MoU)** were signed by MCET with eight leading companies viz. M/s Voltech Engineers (Pvt) Ltd, M/s Wind Stream Technologies India, Pvt Ltd, M/s Energy Alternatives India (EAI), M/s Butterfly Group of Companies, M/s India Pistons Ltd, M/s Core EL Technologies (I) Pvt Ltd, M/s SWELECT Energy Systems Ltd, M/s Institute for Solid Waste Research & Ecological Balance (INSWAREB) on 11.08.2015 to work jointly on future technology in the areas of energy and environment.

Awareness on Green Energy and Sustainable Environment among rural Students

Demonstrating Soloar Energy system to the intenational participants.

International conference on "Renewable Energy and Sustainable Environment"

- Two-Week ISTE STTP on "Environmental Studies" was orgniased by Science & Humanities, Civil, Mechanical, Automobile engineering department during 2-12, June 2015. 14 faculty members benefitted.

7.5 Whether environmental audit was conducted?   Yes ☐   No ☑

7.6 Any other relevant information the institution wishes to add. (for example SWOT Analysis)

> A progressive management that always aims to offer the state-of-the-art knowledge to students coupled with traditional values; A team of faculty and staff members who are committed to work in new directions, guided by senior and experienced administrative team. Heads of Departments and Admin Team Meetings are conducted every week for analysing the various activities of institutions.   Class Committee Meeting with Students and subject faculty members are conducted in all academic departments for improving teaching learning process.

> Good infrastructure conducive for enhanced learning and research; incorporating the latest of software to improvise teaching learning, evaluation and management information.

> Vibrant network with industries, enabled and consolidated by the management, who themselves are successful industrialists; Establishment of centres of excellence for skill development, consultancy and research.

> Using autonomous status for bringing in timely revisions in curriculum and syllabi in tune with OBE. Introduction of one credit courses handled by industry experts for skill development of students in relevant areas.

> Outreach activities by taking technology for rural development.

8.**Plans of institution for next year**

Academic:

i) Introduction of New course B.E. Mechatronics Engineering with 60 intake during the Academic year 2017-18.

ii) Submission of Application for extension of Autonomous status from UGC at the end of December 2016.

iii) Obtaining NBA Accreditation for B.E. Civil Engineering, Automobile Engineering and Electronics and Instrumentation Engineering.

iv) Organising Second International Conference on Renewable Energy and Sustainable Environment (RESE 2017) at MCET.

v) The Choice Based Credit System (CBCS) will be implemented suitably blending it with OBE.

vi) All the programmes will embrace outcome based education methodology. Introduction of professional skills courses that aim at developing the required soft skills in the students,will be done in a graded manner every semester.

vii) Use of ICT tools like Inpods will be widely introduced for making the assessment and evaluation of students performance timely and effective so that course corrections can be made then and there for better teaching and learning.

viii) Objectivise the measurement of program outcomes.

ix) Colloborative Education Programmes with reputed industries.

Research:

i) Foster research through external funding and in-house R & D.

ii) Encourage worthwhile student mini projects and major projects that can qualify for publication and/or fetch industry internship.

iii) Collaborate with industries for executing suggested projects.

iv) Improving consultancy activities and concentrate on obtaining patents.

H.R. & Faculty Development:

i)   Faculty development programmes on teaching and learning will be conducted in common as well as stream-wise.

ii)   Staff members will be encouraged for doing their higher studies programme.

Industry relations:

i)   Every steam will strive to widen the database of industry network and enhance mutual interactions for enabling more of guest lectures, training, internship, projects. Faculty visit to various industries and follow-up will be strengthened.

ii)   Admitting the students under collaborative education programmes will be increased.

Outreach activities:

i)   The activities of technology transfer and conducting awareness programmes will be continued. Students group will be formed and given charge of imparting awareness training on computer and internet.

Student Affairs:

i)   Active practice on listening, speaking, reading and writing in English will be imparted to students to enhance their communicative ability. A rigorous schedule will be devised and followed for this purpose.

Details of Conferences organized by the Institution

1) **International conference on "Renewable Energy and Sustainable Environment" (RESE) 2016**

International conference on Renewable Energy and Sustainable Environment 2015 was organized at MCET in collaboration with Cape Breton University(CBU), Canada between the 10th and 13 August 2015, which was supported by the Department of Science and Technology and IEEE. NITTTR, Chennai, Karunya University and Periyar Maniammai University were the Academic Partners and Society for Educational and Entrepreneurship development (SEED) was the Knowledge Partner, and The Hindu was the media partner

Preconference Workshop on "CFD & Wind Energy Technology" by Dr.Kiran Bhaganagar, Associate Professor, University of Texas was conducted for Mechanical Engineering on 10.08.2015. The conference was inaugurated by Shri.Tarun Kapoor, IAS, Joint Secretary, MNRE, Govt. of India, New Delhi on 11.08.205 and presided over by Chairman, MCET. The Conference Proceedings, comprising of 59 papers on various aspects of renewable energy and sustainable environment, was released by the Chief Guest. After a technical peer reviews 80 full papers were chosen for presentation. All papers were presented in five concurrent sessions

under six sub themes namely wind, solar, biogas/ biomass, energy and environment, sustainable environment and impact of industrialization on the environment. Valediction function was conducted on August 13, 2015. Mr.B.Venkateswara Rao, Director (Technical), India Renewable Energy Development Agency Limited (IREDA), New Delhi was the chief guest.

The following were the keynote speakers: Dr (Mrs) V A Selvi, Sr. Scientist, Central Institute of Mining & Fuel Research, Jharkhand; Dr.Avanish K Tiwari, Director, Centre for RESD, VIKALP, New Delhi; Dr. S. Iniyan, Professor, Institute for Energy Studies, ; Anna University Chennai; Dr. K. Narayanan, Institute Chair Professor, IIT, Mumbai, Dr. Kiran Bhaganagar, Program Director, Mechanical Engg.,University of Texas, San Antonio; Dr. Martin Mkandawire, Asso.Prof., Chemistry, Cape Breton University, Canada; Dr. Pradeep Haldar, Vice President, College of Nanoscale Science and Engg., Suny Polytechnic Institute, USA; Dr. Pushpa Arabindoo, Lecturer, Dept. of Geography, University College London, UK; Dr. R. Sethumadhavan, Professor in Mechanical, Institute for Energy Studies, Anna University Chennai; Mr. A. Saravanakumar, Scientist, Power Electronics Group, Centre for Devt. of Advanced Computing (CDAC), Trivandrum; Mr. AmbalavananRamaswamy, Accountant General (Audit), Odhisha, India; Mr. N. Kalidas, Director, INSWAREB, Kerala; and Dr. R. Mahadevan, Director, India Pistons Ltd, Sembiam, Chennai;

Exhibitors at RESE 2015: About 35 entrepreneurs and agencies involved in the Renewable Energy and Environmental Sustainability had displayed their products and activities. The

exhibition was inaugurated by Shri.C.Kannan, Director (Finance) Solar Energy Corporation of India, New Delhi.

Sponsorship: 11 companies had generously contributed to the success of the conference through their sponsorships. M/s Sakthi Auto components Pvt.Ltd, M/s SreeNandeesTechnologies Pvt.Ltd., M/s SWELECT Energy Systems Ltd., M/s Caresoft Global Pvt. Ltd., M/s Nirmal Bio-

Gen Limited, M/s ABT Ltd., M/s Mecton Training and Technical services Pvt. Ltd., M/s Chiranjjeevi Wind Energy Ltd., M/s VI Microsystems., M/s Voltech Engineers (Pvt) Ltd., and M/s Butterfly Group of Companies.

A joint Memorandum of Agreement (MoA) was signed with Karunya University and Periyar Maniammai Institute of Science and Technology on 11.08.2015 to take up joint research in the field of energy and environment, leveraging on the research capabilities of both partners and MCET.

Memoranda of Understanding (MoU) were signed by MCET with eight leading companies viz. M/s Voltech Engineers (Pvt) Ltd, M/s Wind Stream Technologies India, Pvt Ltd, M/s Energy Alternatives India (EAI), M/s Butterfly Group of Companies, M/s India Pistons Ltd, M/s Core EL Technologies (I) Pvt Ltd, M/s SWELECT Energy Systems Ltd, M/s Institute for Solid Waste Research & Ecological Balance (INSWAREB) on 11.08.2015 to work jointly on future technology in the areas of energy and environment.
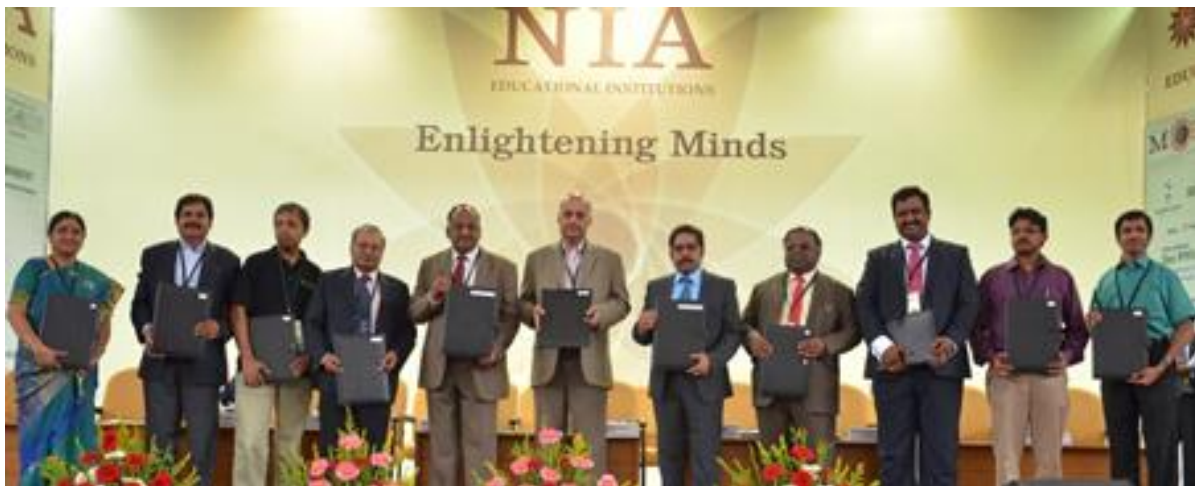

2)   <u>**Sixth National Conference on Computing and Communication (NCCC'16)**</u>

NCCC 2016 was organised by IT Stream, MCET on 13th April 2016.   Dr.M.Ramakrishnan, Principal released the conference proceeding. Mr.M.Lakshmikanth, Bharth Sanchar Nigam Limited (BSNL), Coimbatore delivered the special address. 68 papers were received from various institutions, 45 were accepted and 27 papers were presented in the areas of Image Processing, Cloud Computing, Data mining & Networks.

NCCC 2016

3) **National Conference on "Information, Networking and Communication Technologies (NCINCT 2016)"**

1) NCINCT 2016 was organised by the department of ECE on 23.04.2016. Conference proceeding was released by the Chief Guest Mr. R. muralidharan. 14 External and 12 Internal staff members participated.

4) **National Level Conference RAISE' 2016** was organised by Civil Engg. dept. on 23.04.2016. 48 staff members and students participated.

5) **National Conference on Materials, Mechanical and Automobile Engineering** - NCMMAE'16 was jointly organised by the department of Mechanical & Automobile Engg. on 30.04.2016. Mr.N.Lakshmanan, Manager,Technical, ELGI Equipments,Coimbatore was the resource person. 20 staff members participated.
