FOREWORD

I am pleased to present the AQAR of IQAC for Dr. Mahalingam College of Engineering and Technology for the Academic Year 2016- 2017 in accordance with the National Assessment and Accreditation Council, Bangalore - An Autonomous Institution of the University Grants Commission, Guidelines 2013, for the Submission of Annual Quality Assurance Report (AQAR) of IQAC in Accredited Institutions. The College has made significant strides in teaching, research and extension activities. The AQAR has been duly compiled and reported.

The AQAR will help in maintaining the quality consciousness which is crucial for sustaining the excellence. It is a mechanism to build and ensure quality culture at the department level. AQAR is to be used for meticulous planning, guiding and monitoring quality assurance and quality enhancement activities.

I thank all the members of the Governing Council and every individual/organisation whose contribution have made this college to achieve this stature and look forward to the continued cooperation, advice and guidance from all stakeholders.

2.14 Significant Activities and contributions made by IQAC

Faculty Members:

- Redesigning the Curriculum and Syllabi of all Engineering programmes.
- Establishing network with experts abroad, academicians and industrialists in the energy management for conducting International Conference on Renewable Energy and Sustainable Environment – 2017.
- Conducting FDP for newly joined faculty members and Skill development programme in terms of technical and communication skills for knowledge update.
- Providing workshop on Teaching Learning Series highlighting pedagogic concepts with specific reference to learning assessment and evaluation with Canadian Educational Expert as the resource person and “MCET Vision 2020” was organised during 2016-17.

Students:

- Fostering global competitiveness by promoting the use of technology and generating an ambience in quest of excellence.
- Orienting the students towards learning state-of-the-art technologies in the domain concerned and making them understand the industry expectations.
- Enhancing students’ communication skill through speaking activities and course framed in alignment with Business English Certificate (BEC) spread over the initial three years of their study.
- Personality development programme (Kandepam Ezhuga) was conducted by external experts. Valedictory session of “Kandeepam Ezhuga” program for all II year students was organised during 2016-17.

Administrative Team:

- Rigorous interaction with industries for scheduling the plan aptly to carry out the activities of Career planning, Guidance, training and placement activities.
- Collaboration with industries for better learning and knowledge update of both the students and faculty members and Inviting leading companies for the campus recruitment drives and preparing students as per the requirements of the company.

Others:

- Submission of Application for extension of Anna University Affiliation 2017-18, AICTE, NBA reaccrreditation for B.E. Mechanical, CSE, ECE, EEE, B.Tech IT and fresh accreditation for B.E. Civil, Automobile and EIE during 2016-17.
- Submission of Application for new courses B.E. Mechatronics and B.E Production Engineering and follow-up of related activites with regard to new courses.
- Coordinating with OBE Activities
- Conducted Academic Audit for the Academic Year 2016-17.
- Collection of Stakeholders Feedback, Analysis and Submission of Report for the Academic year 2016-17.
- Submission of College details in the NIRF Web Portal for Institutional Ranking for the Academic year 2016-17.
- Submission of Reports to CII Survey 2016-17.

2.15 Plan of Action by IQAC

The plan of action chalked out by the IQAC in the beginning of the year towards quality enhancement and the outcome achieved by the end of the year.

- Arranging feedback responses from students for quality-related institutional processes
- Development and application of quality benchmarks / parameters for the various academic and administrative activities of the institution
- Retrieval of information on various quality parameters of higher education and best practices followed by other institutions
- Organisation of workshops and seminars on quality related themes and Institution-wise dissemination
- Development and application of innovative practices in various programme / activities leading to quality enhancement
- Work for the development of internalization and institutionalization of quality enhancement policies and practices
- Improving the quality of teaching and learning through Pedagogy workshop
- Conducting stream wise orientation programme for the students for enhancing their subject knowledge
- Conducting Quality Audit periodically

Please see Chapter 7.2 for Outcome / Action Taken Report at the end of the year for the above plans.

*** Academic Calendar of the year as Annexure. (Please see Annexure II)**

2.16 Whether the AQAR was placed in statutory body Yes ☒ No ☐

Management ☒ Syndicate ☐ Any other body ☐

1.4 Whether there is any revision/update of regulation or syllabi, if yes, mention their salient aspects

Yes.

- New curriculum and regulations based on Choice Based Credit System were adopted for all B.E. programmes with effect from the Academic year 2016-17. Its salient features are:
 - Provides enhanced learning opportunities.
 - Holds all the features of academic reforms with a scope for flexibility in course offerings with all facilities for skill practice that they could learn in depth without sacrificing their creativity.
 - Provides learners' centric approach and helps self learning.
 - Enables the learners to make their choice among Core and Elective courses that imparts knowledge, skill and competency oriented education.
 - Makes the use of expertise of faculty across various disciplines through interdisciplinary approach (by learning open electives).
- Curriculum was designed to improve Professional Skills of the learners in addition to Technical Skills. In order to improve the technical skills of the students, more emphasis on fundamental courses and Theory with integrated lab component are followed.
- Syllabus for B.E. Mechanical Engineering V and VI semester subjects were developed based on the survey from various industries in and around Tamilnadu.
- 2014 Regulation (Revision 1) has been introduced for 2015-2016 admitted batch students. Third and fourth semester syllabus updated.
- New elective subject titled "Agile software development" in association with Infosys was introduced in Semester VIII of 2011 regulation in the department of CSE.
- Revision of curriculum and updates of the syllabus on par with the latest industrial standards were made in the department of Computer Applications (MCA). The curriculum was updated and the subjects such as Web programming (T&L), Web Application Development (T&L), Mobile Programming (Swift Programming), Software Testing Lab, Big Data Analytics and Cloud Computing are treated as Core papers along with lab components.

2.6 Innovative processes adopted by the institution in Teaching and Learning:

Teaching:

- Established “Centres of Excellence” through which students can enhance their theoretical knowledge by doing practical exercises and undertaking simple projects.
- Initiatives started for adopting active learning techniques for enriched learning experience of students.
- Motivating students to self-study the assigned unit in selected courses.

- “Teaching Learning Series”- Workshop for faculty members by an eminent Professor from abroad.
- Outcome Based Curriculum emphasizing the development of professional skills.
- Stimulating peer group interaction among students to improve communication skills

Learning:

- Handling of One credit courses by Industry experts.
- Utilizing e-learning resources.
- Internship to students in Industry from Second year onwards (2-4-12/24 weeks duration).
- Trainings on Value Added courses for students and faculty.
- Regular stage presentations by students on the topics being taught and /or new learning
- Industrial/Field Visits to equip students with the knowledge of current industry practices and requirements
- Use of video lectures of eminent IIT professors (available through NMEICT) and NPTEL.
- Introducing the software “Inpods” for an online interaction between teacher and a student to share post and receive the teaching content and assessment with a view of easy access to learning.
- Enriching students intellectual calibre in the area of communication skills through LSRW practice and assessing their performance periodically.

2.12 How does IQAC Contribute/Monitor/Evaluate the Teaching & Learning processes :

Teaching:

- Redesigning the syllabus based on the industry need
- Faculty Development programmes to enhance faculty competency.
- Preparation of course wise Design Document
- Organizing teaching learning process by the preparation of pedagogic contents like course plan, lesson plan and learning materials.

Learning:

- Conduct of bridge course to groom students on the fundamental to learn the foundation courses.
- Use of multi-mode learning experiences.
- Practical learning through industry visits and internships
- Offering value added courses for proficiency enhancement.
- Providing projects, term paper, quiz to assess the overall learning of students
- Students participation in national and international technical events like SUPRA, BAJA, Formula Student etc.,

Evaluation and Monitoring:

- Preparation of an academic calendar
- Hosting Class Committee Meeting to analyse the effectiveness of teaching and learning and the academic performance of students.
- Continuous evaluation through CCETs, Tutorials, Assignments, Seminar etc.
- Receiving students' feedback on teaching and employing it for supporting the faculty members to identify the outcome of teaching-learning for further improvement.
- Maintenance of assessment records in hard copy as well as in System software and Analysis
- Conduct of Academic Audits.
- Mentoring the students by the faculty.

3. Research, Consultancy and Extension

3.1 Initiatives of the IQAC in Sensitizing/Promoting Research Climate in the institution

- Second International conference on Renewable Energy and Sustainable Environment 2017 is scheduled to be conducted at MCET in collaboration with Cape Breton University(CBU), Canada between 20 and 22nd July 2017 in joint collaboration with India Smart Grid Forum (ISGF), NIWE, IARC (Centre for United Nations) and sponsored by AICTE, DRDO, SERB-India and CSIR.
- Ministry of New & Renewable Energy has sanctioned a seminar grant of Rs.0.31 Lakh for organizing Seminar on ‘Advanced Micro Grids using Hybrid Renewable Energy Sources’ during August 2014 and Rs.0.3 Lakh for organizing Seminar on ‘Recent Advancements in Energy Storage Technologies for Smart Grid Application’ during December 2016 to Dr.A.Senthilkumar, Professor, EEE.
- UGC has sanctioned Rs.3.85 Lakh to Dr. M. Selvakumar, Associate Professor in Automobile for Minor Research Project titled “Tribological investigation of Titanium-Titanium Boride (Ti-TiB) composites processed through microwave sintering for Automobile disc brake applications” during January 2017.
- Encouraging the staff members to undertake major and minor research projects from external agencies and in-house R&D and also to organize seminars, workshops and conferences.
- Motivating faculty members to publish research papers in journals.
- Informing students about various fellowships available and encouraging them to apply for the same.

- Conducting Conferences, Workshop, Seminars and Guest Lecture on recent developments and opportunities in the technology innovations.
- Motivating the faculty members to pursue Ph.D.
- Providing institutional funds to students competition projects like SAE Supra, BAJA, GoKart by ISNEE and Formula Student
- Providing accessibility to refer online research journals of major professional bodies and societies.

7.3 Give two Best Practices of the institution

- Introduction of credited six professional skill courses for holistic development of students.
- Implementation of Outcome Based Education (OBE) for all UG programmes of the institution.

7.4 Contribution to environmental awareness / protection

✓ **Environmental Club of MCET**

- The club was inaugurated on 19 September, 2016 by Mr. Ganesh Karthik, secretary of Meipporul trust. The first event conducted by the club was the Vettaiyadu Vilaiyadu as a part of Uddeshah 2017 on 31 September 2016.
- The second event organized was the slogan writing contest on the theme “green cover- importance of trees” on 12 January 2017. During February a few members of the club visited Satyaraj Nagar, R.Ponnapuram and spoke to them on reducing the use of plastics.
- The club organized an event “Wealth from Waste” on the theme “Go Green and Save Nature” together with Youth red Cross during Varnam 2017, an intra college symposium on 27 March 2017. The club together with Film Club MCET organized “Film fest” on 17 April 2017, on topics including organic farming and environmental issues, where there were 15 entries for short film and 6 entries for one minute show.
- The activities of the club for the academic year 2016-17 were closed with the valediction on 25 April 2017.

✓ **Awareness programmes organized by MCET-NSS**

- Awareness Programme on Vermi Composting was conducted at Anaimalai Extension centre and Periyakoundanur village on 18th and 20th August 2016. Tmt.Revathi, Asst, Prof, VIA was demonstrated the programme. 28 persons benefitted.
- Awareness Programme on Solar light and lantern was conducted at Somanthurai chithur Extension Centre on 19th August 2016 and 3rd October 2016. 31 persons were benefitted.
- Awareness programme on Environmental protection was conducted at Kottur Malayandipattinam Extension Centre on 25th November 2016. Prof. Dhandapani, Delivered a special speech about Environmental Protection. 35 persons benefitted.

- One day programme on Bio-Gas plant was conducted at Negamam and Kottur Malayandipattinam Extension Centres on 6th March 2017. Dr.S.Mahendran, Asst.Prof Bio-Energy dept, TNAU was the Resource person. Totaly 52 persons benefitted.
- ✓ **A garden in which plants (as vegetables or herbs) for use in the kitchen are cultivated by MCET students with the assistance of Vanavarayar Institute of Agriculture (VIA) faculty.**

7.5 Whether environmental audit was conducted? Yes ☐ No ☒

7.6 Any other relevant information the institution wishes to add. (for example SWOT Analysis)

- Good infrastructure conducive for enhanced learning and research; incorporating the latest of software to improvise teaching learning, evaluation and management information.
- Vibrant network with industries, enabled and consolidated by the management, who themselves are successful industrialists; Establishment of centres of excellence for skill development, consultancy and research.
- Using autonomous status for bringing in timely revisions in curriculum and syllabi in tune with OBE. Introduction of one credit courses handled by industry experts for skill development of students in relevant areas.
- Outreach activities by taking technology for rural development.

8. Plans of institution for next year

Academic:

- i) Obtain NAAC reaccreditation.
- ii) Obtain one year extension for NBA accreditation for Mechanical, EEE, ECE, CSE and IT Programmes.
- iii) Move from 100-150 band to 50-100 band in NIRF ranking in 2017-18.
- iv) Computerise of all academic activities through EasyEdu.
- v) Update the Manual for the institution.
- vi) Implement Go Green activities and prohibit the usage of plastics water bottles inside the campus.
- vii) Verify quality objective of the institution through periodic audits.
- viii) Review the academic results and outcomes every semester.
- ix) Monitor placement activities continuously.
- x) Introduce innovation in teaching learning methods through tablets.
- xi) Pilot Product Based Learning (PBL) in mechanical and EEE programmes.
- xii) Impart active practice on listening, speaking, reading and writing in English to enhance the communicative ability. Devise rigorous schedule and followed for this purpose.

Research:

- i) Foster research through external funding and in-house R & D.
- ii) Encourage worthwhile student mini projects and major projects that can qualify for publication and/or fetch industry internship.
- iii) Collaborate with industries for executing suggested projects.
- iv) Improve consultancy activities and concentrate on obtaining patents.

H.R. & Faculty Development:

- i) Conduct Faculty Development Programmes (FDPs) on teaching and learning.
- ii) Encourage faculty members for pursuing higher studies.

Industry relations:

- i) Strive to widen the database of industry network and enhance mutual interactions for enabling more of guest lectures, training, internship, projects and placements.
- ii) Admitting the students under collaborative education programmes will be increased.

Outreach activities:

- i) Conduct activities of technology transfer and awareness programmes.

ANNEXURE III

Student Feedback Format

1	Is punctual to the lab classes	☆☆☆☆☆
2	Issues handouts/lab manuals well in advance	☆☆☆☆☆
3	Gives the introduction of the exercises/experiments highlighting their aims	☆☆☆☆☆
4	Gives clear instructions for doing each experiment	☆☆☆☆☆
5	Helps students in relating the experiment with the relevant theory already learnt	☆☆☆☆☆
6	Goes around the lab and monitors students when they are doing the experiment	☆☆☆☆☆
7	Asks questions to check students understanding of the experiment and its purpose	☆☆☆☆☆
8	Insists on timely submission of observation/record note	☆☆☆☆☆
9	Takes sufficient time for correcting observation/record note and indicates the corrections clearly	☆☆☆☆☆
10	Appreciates innovative performance of students	☆☆☆☆☆

Submit

11 Teaches at an appropriate pace(neither very slow nor very fast)	★★★★★
12 Uses case studies, group discussions, solved examples and exercise problems for better understanding	★★★★★
13 Encourages the students to ask questions and facilitates class room discussion	★★★★★
14 Sets questions at the appropriate level of difficulty to answer	★★★★★
15 Values answer papers impartially and return promptly	★★★★★
16 Gives feedback about performance in the answer script and discusses the same in class	★★★★★
17 Teaches beyond syllabus for career development	★★★★★
18 Is honest, flexible and approachable and maintains class room discipline	★★★★★
19 Appreciates good performance of students and offers guidance for improvement	★★★★★
20 Helps in overall development (character and personality) of student	★★★★★

ACADEMIC EXPERT

(Kindly choose the appropriate option given above)

Dear _____

Warm Greetings.

We sincerely register our thanks for visiting our campus as an expert/committee member and being a part of our growth. We are interested in understanding the quality of the practices we follow in our institution for substantial development.

As part of our dedicated process to the continuous improvement of the program that we offer, information that you provide through this questionnaire will be a significant contributor. We request you to kindly provide your feedback based on a collective observation of our campus. We strongly believe that your feedback will help us to serve the students better. The questionnaire may take about 10-15mins to complete.

If you have any concerns or need further clarifications please contact hod_ece@drmcet.ac.in

Thanks and Regards
PRINCIPAL, MCET – Pollachi, INDIA

Assessment for the Department of ECE

We are specifying the Programme Educational Objectives (PEOs) , Programme Outcomes (POs) and Programme Specific Outcomes(PSOs) of our department for your evaluation. Please rate the performance of our students in your perspective based on a 4-point rating scale as given below:

A.Achievement of Programme Educational Objectives (PEOs)

SNo	Programme Educational Objective	Can't evaluate	Very well accomplished	Well accomplished	Moderately accomplished	Poorly accomplished
1	Actively apply technical and professional skills in engineering practices towards the progress of the organization in competitive and dynamic environment					
2	Own their professional and personal development by continuous learning and apply the learning at work to create new knowledge.					
3	Conduct themselves in a responsible, professional and ethical manner supporting sustainable economic development which enhances the quality of life.					

B. Assessment of Programme Outcomes

SNo	Criteria	Can't evaluate	Very well accomplished	Well accomplished	Moderately accomplished	Poorly accomplished
1	Apply the knowledge of Mathematics, Science and engineering to solve problems in the field of Electronics& Communication Engineering.					
2	Identify, formulate/model, analyze and solve complex problems in the field of Electronics & Communication Engineering.					
3	Design an electronic system/component, or process to meet specific purpose with due consideration for economic, environmental, social, political, ethical, health and safety issues.					
4	Design and conduct experiment, analyze and interpret data to provide valid conclusions in the field of Electronics and Communication Engineering.					

5	Apply appropriate techniques and modern software tools for design and analysis of Electronic systems with specified constraints.					
6	Apply contextual knowledge to provide engineering solutions with societal, professional & environmental responsibilities.					
7	Provide sustainable solutions within societal and environmental contexts for problems related to Electronics & Communication Engineering.					
8	Comply with code of conduct and professional ethics in engineering practices.					
9	Perform effectively as a member/leader in multidisciplinary teams.					
10	Communicate effectively to engineering community and society with proper aids and documents.					
11	Demonstrate knowledge and understanding of the engineering and management principles to manage projects in multidisciplinary environment					
12	Recognize the need for, and have the ability to engage in independent and lifelong learning.					

C. Assessment of Programme Specific Outcomes

SNo	Criteria	Can't evaluate	Very well accomplished	Well accomplished	Moderately accomplished	Poorly accomplished
1	Technology Deployment: Apply technologies of electronics, embedded systems, signal processing, communication and networking in the field of industrial automotive, consumer, medical and defense electronics industries.					
2	IC Design: Apply the design flow of Very Large Scale Integrated circuits to design and test Integrated Circuits in Semiconductor industries.					

D. Curriculum Feedback

Please provide feedback on the expectations and changes that may be made in the course curriculum to bridge the gap between stake-holder expectations and students' level on graduation.

Please list new topics on current technologies and tools that may be introduced in our curriculum:

- 1.
- 2.
- 3.

Please mention on techniques and methods that may be used in our curriculum for effective learning by the students.

- 1.
- 2.
- 3.

Please provide feedback on the negative aspects that may be avoided in a course curriculum.

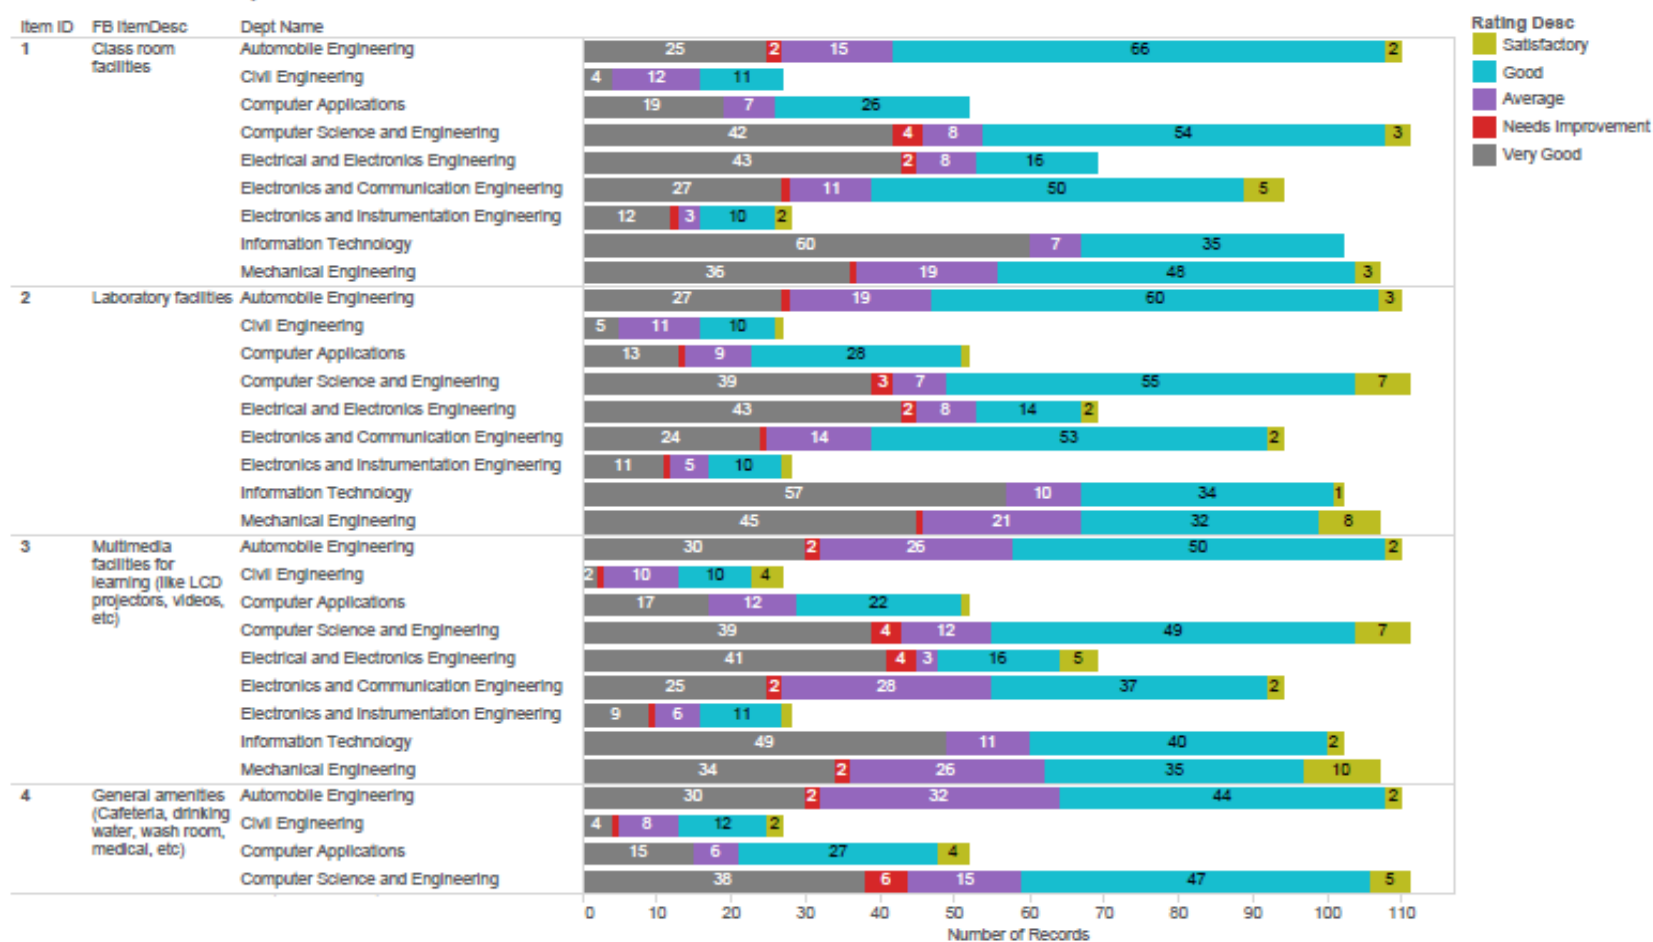

- 1.
- 2.
- 3.

If any further comments / suggestions, please provide here:

b) Presented Papers

S.No	Name of the Author(s) with Designation	Title of the Paper Presented	Title of the Conference / Seminar	Venue	Date(s) of Paper Presented	Proceed ings page(s) nos.	Level (State/ University, National, International)
1.	Mr R Vishnurameshkumar	Design and Analysis of Powertrain for SAE Baja Vehicle	International Conference on Modelling Simulation and Control	Karpagam College of Engineering, Coimbatore.	01/04/2017 - 02/04/2017	114- 115	International
2.	Mr B Saravanan	Fabrication of an Automatic Leveler Prototype using Gyro-sensor				116- 117	
3.	Dr.G.Anupriya Asso. Prof./CSE	Authorship Verification using Modified PSO	International Conference on Adaptive Technologies for Sustainable Growth	Paavai Engineering College, Rasipuram	17.03.2017 & 18.03.2017		International
4.	Dr.G.Anupriya Asso. Prof./CSE	Improved Text Classification Using Incremental Neural Network	International Conference on Engineering Technology and Science (ICETS'17)	Muthayamm al Engineering Institution, Rasipuram	30.03.2017 & 31.03.2017		International
5.	K.Thirukumar Asst. Prof.(SG)/CSE	Enhancing Utility of Sensitive item set using PrefixSpan algorithm	International Conference on Adaptive Technologies for Sustainable Growth	Paavai Engineering College, Rasipuram	17.03.2017 & 18.03.2017		International

6.	K.Thirukumar Asst. Prof.(SG)/CSE	Prefix Span Algorithm with Pseudo Projection Technique for Privacy Preservation	International Conference on Engineering Technology and Science (ICETS'17)	Muthayamm al Engineering Institution, Rasipuram	30.03.2017 & 31.03.2017		International
7.	K.Thirukumar Assistant(SG) Prof./CSE	Privacy preservation for Multiple Sensitive Numeric Attributes using Hybrid Clustering Algorithm	International Conference on Innovative Computing Technologies (MKCE-ICICT 2017)	M.Kumarasa my College of Engineering, Karur.	16.02.2017 & 17.02.2017		International
8.	K.Thirukumar Assistant(SG) Prof./CSE	Prefix Span algorithm for Privacy Preservation	National Conference on Computing and Communication	MCET, Pollachi	11.03.2017		National
9.	A.Brunda Asst. Prof.(SS)/CSE	An Efficient Data Sharing Approach for Dynamic Group in Cloud	International Conference on Emerging Trends in Engineering Science and Sustainable Technology (ICETSST-2017)	Erode Sengunthar Engineering College, Erode	17.02.2017 & 18.02.2017		International
10.	A.Brunda Asst. Prof.(SS)/CSE	Graphical Captcha for Authentication	International Conference on Innovative Computing Technologies (MKCE-ICICT 2017)	M.Kumarasa my College of Engineering, Karur.	16.02.2017 & 17.02.2017		International

11.	A.Brunda Asst. Prof.(SS)/CSE	Secure Data Sharing for Dynamic Groups in the Cloud	National Conference on Computing and Communication	MCET, Pollachi	11.03.2017		National
12.	J.Bhavithra Asst. Prof.(SS)/CSE	Detecting Spam Mails using Improved Naïve Bayes Classifier	International Conference on Recent Trends in Engineering, Computers, Information Technology and Applications (TCRTECTTA-17)	PSNA College of Engineering and Technology, Dindigul	22.03.2017		International
13.	J.Bhavithra Asst. Prof.(SS)/CSE	A Web Page Recommendation using Naïve-Bayes Algorithm in Hybrid Approach	International Conference on Science Technology and Management (ICSTEM'17)	Kalaingar Institute of Technology, Coimbatore	03.03.2017 & 04.03. 2017		International
14.	N.Gobi Asst. Prof./CSE	Extracting Sentiments based on Fine-Grained Mining	National Conference on Computing and Communication	MCET, Pollachi	11.03.2017		National
15.	N.Sumathi Asst. Prof./CSE	Image Retrieval Using Efficient Manifold Ranking Model with Multi- modal Distance Metric Learning	International Conference on Recent Trends in Engineering, Computers, Information Technology and Applications (TCRTECTTA-17)	PSNA College of Engineering and Technology, Dindigul	22.03.2017		International

16.	N.Sumathi Asst. Prof./CSE	An Efficient Fuzzy logic and Re-ranking for Content based Image Retrieval	International Conference on Innovative Computing Technologies (MKCE-ICICT 2017)	M.Kumarasamy College of Engineering, Karur.	16.02.2017 & 17.02.2017		International
17.	V.Priya Asst. Prof./CSE	Ensemble Based MR k- means for Aspect based summarization	International Conference on Informatics and Analytics (ICIA16)	Pondicherry Engineering College , Pondicherry	25.08.2016		International
18.	V.Priya Asst. Prof./CSE	Particle Swarm Optimization Based Feature Selection and Summarization of Customer Reviews	International Conference on Emerging Trends in Engineering Science and Sustainable Technology (ICETSST-2017)	Erode Sengunthar Engineering College, Erode	17.02.2017 & 18.02.2017		International
19.	K.Srinivasan Asst. Prof. /CSE	Real Time Automation System using ARDUINO	International conference on Innovations in Information, Embedded and Communication System(ICII ECS)	Karpagam College of Engineering, Coimbatore.	17.03.2017 & 18.03.2017		International
20.	K.Srinivasan Asst. Prof. /CSE	Automation of Lab with Attendance Monitoring, Screen Capturing and Performance Analysis	International Conference on Innovative Computing Technologies (MKCE-ICICT 2017)	M.Kumarasamy College of Engineering, Karur.	16.02.2017 & 17.02.2017		International

21.	J.Mano Asst. Prof. /CSE	Optimized ERP System by Using Private Cloud	International Conference on Innovative Computing Technologies (MKCE-ICICT 2017)	M.Kumarasa my College of Engineering, Karur.	16.02.2017 & 17.02.2017		International
22.	S.Kiruthika Asst. Prof. /CSE	Communication Services for the Hearing and Visually Impaired Community	International Conference on Innovative Computing Technologies (MKCE-ICICT 2017)	M.Kumarasa my College of Engineering, Karur.	16.02.2017 & 17.02.2017		International
23.	S.Akila, Asst. Prof. /CSE	An Enhanced Image Size Invariant Visual Cryptography to overcome pixel expansion and increase Display Quality	International Conference on Innovative Computing Technologies (MKCE-ICICT 2017)	M.Kumarasa my College of Engineering, Karur.	16.02.2017 & 17.02.2017		International
24.	J.Tamilselvi Asst. Prof./CSE	Optimization Technique for Watermarking the Relational Data	International Conference on Innovative Computing Technologies (MKCE-ICICT 2017)	M.Kumarasa my College of Engineering, Karur.	16.02.2017 & 17.02.2017		International
