### **• Mechanism/ Norms and Procedure for democratic/ good Governance**

The following are the various bodies of the institution constituted as per the recommendations of statutory bodies. Faculty members are involved in decision making, perspective plan in all the following bodies. These bodies meet as per the norms prescribed and take suitable decisions and ensure the implementation of the decisions. The action items from the decisions of these bodies ensure the communication and implementation of various plans towards the realization of the vision through the mission. Other key stakeholders such as nominees of various statutory bodies, senior academics from other institutions, industry experts, parents, alumni, local authorities, support staff and students also are members of some of the following bodies as applicable.

### **Governing Council**

The Governing Council governs the overall functioning of the Institution through other statutory bodies and administration team. The Council reviews the major academic activities, implementation of government policies, financial position of the Institution, performance of students and staff and suggests policies to improve the quality of education at the college.

### **Academic Council**

The Academic Council is the principal academic body of the Institution and shall, subject to the provision of the Rules, have the control over and be responsible for the maintenance of standards of teaching, research and training, approval of syllabus, coordination of research activities, examinations and tests within the Institution.

## **Board of Studies**

The Board of Studies is the basic constituent of the academic system of the college. Its functions will include framing the syllabi for various courses, reviewing and updating syllabi from time to time, introducing new courses of study, determining details of continuous assessment, recommending panels of examiners under the semester system etc.

## **Finance committee**

The Finance Committee advises the Governing Council on financial matters. It shall prepare income and expenditure statements of the college in the prescribed format for fixation of tuition and others fees of the college. The Finance Committee will be an advisory body to the Governing Council.

- **Student Feedback Mechanism on Institutional Governance/Faculty Performance**

The feedback mechanism on governance and faculty performance at the institution:

<http://mcet.in/?examcell=downloads>

Feedback on aspects such as faculty performance and governance at the institution is collected informally during interaction meetings, class committee meeting, course committee meeting, SGS general body meeting and also through E mail.

**a. Interaction meeting:**

Meetings are periodically organized with students and students' representatives by the Secretary, Principal, HoDs', Head of sections and other coordinators. During such meetings feedback on specific agenda as well as other aspects including governance and faculty performance are collected. Actions as required are initiated based on the feedback.

**b. Class committee meeting:**

Class committee meetings are conducted thrice in every semester with four student representatives and all faculty members handling classes to discuss various aspects of teaching learning. A senior faculty acting as the convener collects feedback on various aspects including governance and faculty performance. The convener communicates the minutes of meeting to the PC and HoD along with requests for actions if any. Actions as required are initiated based on the minutes.

**c. Course committee meeting:**

Course committee meetings are conducted every semester for multiple section courses with students and respective course handling faculty members and convened by course coordinator. Course coordinator collects feedback on various aspects including faculty performance.

The convener communicates the minutes of meeting to the PC and HoD along with request for actions if any. Actions as required are initiated based on the minutes.

**d. Student's Guild of Services(SGS):**

Student's guild of services periodically conducts meetings of general body which consists of all student representatives, office bearers of association, clubs and SGS members. SGS collects feedback on various aspects including governance and faculty performance. SGS communicates proceedings to the Principal and Secretary based on the collected feedback for actions.

**e. Email:**

Students represent matters pertaining to governance and faculty performance amongst others directly to Principal , Secretary, HoD and others through email as and when required. Based on the nature of representation, actions are initiated.

Every semester formal feedback on faculty performance and governance amongst others is collected from students through questionnaires and app (MCET edu). Feedback on faculty performance is analyzed and actions if required are taken by HoD concerned based on the analysis.

**• Grievance Redressal Mechanism for Faculty, Staff and Students**

- **Innovation Cell:**

Centre for Innovation Business Incubation and Entrepreneurship was established in the year 2015 with an objective to inculcate innovation driven entrepreneurship among engineering students. Once the students enter into their second year, a questionnaire is administered to discover the career aspirations of the students. This enables CIBIE to identify the students with the interest to become an employer rather than an employee.

CIBIE at regular interval brings successful entrepreneurs to share their experience with the identified students of 2<sup>nd</sup>, 3<sup>rd</sup> and Final year to create an awareness. Conduct Idea Pitching Contest among students to come out with innovation based Start-up Ideas that solves an important problem. Students with best ideas are mentored and encouraged to establish a team to transform their ideas to prototype. On successful completion of prototype they become an incubatee at CIBIE.

CIBIE offers common facility to the incubatees such as; Work Space, Conference Room, IT infrastructure and power. The incubatees are also mentored to refine their ideas through validation. The abstract of their ideas are shared with Entrepreneurship Development Forums such as TNSI, Forge Accelerator, Startup Payanam. This gives the students an opportunity to attend 2-3 day workshop on Idea Pitching and Bootcamp and finetune their skills to become a thorough professional.

CPG supports students through the following:

- Placement
- Training
- Language Learning Centre
- CIBIE
- Help desk for Higher Studies
- Support for Competitive exams

CPG - Placement

- Interfaces with industry to understand requirements
- Organize on / off – Campus drives
- Coordinates academy industry alliances
- Organizes students Alumni interactions to share industry experiences

CPG - Training

Students are trained from 3<sup>rd</sup> semester onwards in following areas:

- Communication & Life Skills
- Language Learning – Hindi, English ( BEC )
- Technical training
- Domain specific training using CoEs / Value Added Education / One Credit Courses
- Experts interaction in **Student Talent Enhancement Programs ( STEP & STEP-UP )**

CPG Higher studies & Competitive Exams

- Alliances with famous Institutions and Universities abroad
- Facilitate students to continue their higher studies with exclusive counseling centres
