- **Student Feedback Mechanism on Institutional Governance/Faculty Performance**

The feedback mechanism on governance and faculty performance at the institution:

<http://mcet.in/?examcell=downloads>

Feedback on aspects such as faculty performance and governance at the institution is collected informally during interaction meetings, class committee meeting, course committee meeting, SGS general body meeting and also through E-mail.

**a. Interaction meeting:**

Meetings are periodically organized with students and students' representatives by the Secretary, Principal, HoDs', Head of sections and other coordinators. During such meetings feedback on specific agenda as well as other aspects including governance and faculty performance are collected. Actions as required are initiated based on feedback.

**b. Class committee meeting:**

Class committee meetings are conducted thrice in every semester with four student representatives and all faculty members handling classes to discuss various aspects of teaching learning. A senior faculty acting as the convener collects feedback on various aspects including governance and faculty performance. The convener communicates the minutes of meeting to the PC and HoD along with requests for actions if any. Actions as required are initiated based on the minutes.

**c. Course committee meeting:**

Course committee meetings are conducted every semester for multiple section courses with students and respective course handling faculty members and convened by course coordinator. Course coordinator collects feedback on various aspects including faculty performance.

The convener communicates the minutes of meeting to the PC and HoD along with request for actions if any. Actions as required are initiated based on the minutes.

**d. Student's Guild of Services (SGS):**

Student's guild of services periodically conducts meetings of general body which consists of all student representatives, office bearers of association, clubs and SGS members. SGS collects feedback on various aspects including governance and faculty performance. SGS communicates proceedings to the Principal and Secretary based on the collected feedback for actions.

**e. Feedback from Students**

Every semester formal feedback on faculty performance and governance amongst others is collected from students through questionnaires and app (MCET edu). Feedback on faculty performance is analyzed and actions if required are taken by HoD concerned based on the analysis.

- Library is fully automated with AUTOLIB advanced integrated Library Automation Management Software with WEBOPAC facility
- The Library provides e-Resources facility to keep its readers abreast with the latest developments in Engineering & Technology. The Digital Library contains 32 computers. Students and faculties are accessing a huge range of electronic resources to support their studies, research and teaching.

- The library provides access to 275 Science direct e-Journals and 296 Engineering and Technology e-journals through DELNET membership and other E-resources such as, INFLIBNET-NLIST, NPTEL videos, e-PG Pathshala and NDLI-National Digital Library of India database are available. Library has E-Books access facility through INFLIBNET –NLIST membership.

• **National Digital Library(NDL) subscription details:**

- Dr.Mahalingam College of Engineering and Technology has membership with NDLI - National Digital Library of India, it provides different types of digital contents including books, articles, videos, audios, thesis and other educational materials relevant for users from varying educational levels and capabilities.
- Ministry of Human Resource Development under its National Mission on Education through Information and Communication Technology has initiated the National Digital Library of india (NDLI) pilot project to develop a framework of a virtual repository of learning resources with a single-window search facility.
- NDLI is designed to hold the content of any language. It is being arranged to provide support for all academic levels including researchers and life-long learners, all disciplines, all popular form of access devices and differently-abled learners. It is being developed to help students to prepare for entrance and competitive examination, to enable people to learn and prepare from best practices from all over the world and to facilitate researchers to perform inter-linked exploration from multiple sources. The pilot project is devising a framework suitable for future scale up with respect to content volume and diversity to become a full-blown National Digital Library of India over time. It is being developed at IIT Kharagpur.

• **Innovation Cell:**

Centre for Innovation Business Incubation and Entrepreneurship was established in the year 2015 with an objective to inculcate innovation driven entrepreneurship among engineering students. Once the students enter into their second year, a questionnaire is administered to discover the career aspirations of the students. This enables CIBIE to identify the students with the interest to become an employer rather than an employee.

CIBIE at regular interval brings successful entrepreneurs to share their experience with the identified students of 2<sup>nd</sup>, 3<sup>rd</sup> and Final year to create an awareness. Conduct Idea Pitching Contest among students to come out with innovation based Start-up Ideas that solves an important problem. Students with best ideas are mentored and encouraged to establish a team to transform their ideas to prototype. On successful completion of prototype they become an incubatee at CIBIE.

CIBIE offers common facility to the incubatees such as; Work Space, Conference Room, IT infrastructure and power. The incubatees are also mentored to refine their ideas through validation. The abstract of their ideas are shared with Entrepreneurship Development Forums such as TNSI, Forge

Accelerator, Startup Payanam. This gives the students an opportunity to attend 2-3 day workshop on Idea Pitching and Bootcamp and finetune their skills to become a thorough professional.

- **Social Media Champion (SMC)**

Ref: Letter No. Secy(HE)/07/2019, Dt. 03.07.2019 from the Secretary, MHRD, Department of Higher Education, through E-mail on 04.07.2019.

In order to fulfill the norms as prescribed in the letter stated in the reference, Mr. G. Anandakumar, Assistant Professor/MCA is nominated as Social Media Champion (SMC) of our institute from the Academic year 2019-20 onwards until further orders.

Following are the roles and responsibilities of the Social Media Champion.

1. The SMC is expected to communicate to all other HEs and the MHRD about the good work done by the institution and our students from time to time.
2. Open (if not there) and operate the twitter/Facebook/Instagram accounts of the Institution.
3. Connect them to the Twitter/Facebook/Instagram accounts of the other HEIs and that of the MHRD.
4. Connect all the students Twitter/Facebook/Instagram accounts with the HEI's Twitter/Facebook/Instagram accounts, as well as the MHRD's Twitter/Facebook/Instagram accounts.
5. Publicise at least one positive story/event of our institution (by the institution/teachers/students) every week using the social media.
6. Retweet the positive stories by other HEIs so that our students and stack holders can learn from success stories of other institution.

Further, **Mr. G.Anandakumar, Assistant Professor/MCA** is informed to submit the monthly report to the undersigned.

### Extra-Curricular Activities

The Institution offers a good opportunity for the students to come out with their talents in Dance, Music, Art and Mime. Fine arts club organises various cultural activities to make the students relax, enjoy and balance leisure. Fine arts club has 100 members.

Muthamil Mandram was started in the campus to give moral support to the student community for strengthening their interpersonal skills. Speaking in their native language “Tamil” gives them self-confident and to be remember their identity. Muthamil Mandram organized various events for school, college students and faculty members. The Institution has a Centenary Centre Auditorium with a capacity of 4000 to conduct cultural and other mega events. Frequent programs are conducted to encourage the student’s participation.

- **Soft Skill Development Facilities**

MCET – Career Planning and Guidance (CPG) cell identifies opportunities with the industry for career aspiring students

CPG supports students through the following:

- Placement
- Training
- Language Learning Centre
- CIBIE
- Help desk for Higher Studies
- Support for Competitive exams

CPG - Placement

- Interfaces with industry to understand requirements
- Organize on / off – Campus drives
- Coordinates academy industry alliances
- Organizes students Alumni interactions to share industry experiences

CPG - Training

Students are trained from 3<sup>rd</sup> semester onwards in following areas:

- Communication & Life Skills
- Language Learning – Hindi, English ( BEC )
- Technical training
- Domain specific training using CoEs / Value Added Education / One Credit Courses
- Experts interaction in Student Talent Enhancement Programs ( STEP & STEP-UP )

CPG Higher studies & Competitive Exams

- Alliances with famous Institutions and Universities abroad
- Facilitate students to continue their higher studies with exclusive counseling centres
- Exclusive help desk to coach students for taking GRE, GATE & UPSC Exams
