

Name of the Supervisor : Dr.S.Vijayarangan

**Designation : Professor of Mechanical Engineering and
 Director (Academic)**

Sl. No.	Name of the Scholar	Title of the Ph.D. Thesis/ Research Area	Degree Awarded/ Status
1.	Dr.I.Rajendran	Studies on Isotropic and Orthotropic Leaf Springs	2001
2.	Dr.D.Abdul Budan	A Study on Machining of GFRP Composites	2002
3.	Dr.R.Mohankumar	Studies on Cycloidal Gears Made of Isotropic and Orthotropic Materials.	2004
4.	Dr. T.Rangasamy	Investigations on Composite Material Cylindrical Component for Power Transmission Applications	2006
5.	Dr.V.Krishnaraj	Study of Drilling Tool Geometry While Machining of Glass Fibre Reinforced Plastic	2007
6.	Dr.M.Senthilkumar	Studies on Passive and Active Suspension Systems of a Light Passenger Vehicle.	2007
7.	Dr.N.Natarajan	An Investigation on Design, Analysis and Fabrication of MMC Brake Drums	2008
8.	Dr.Sabeel Ahamed	Characterization of Damage Mechanics of Hybrid Composites	2008
9.	Dr.G.S.Shivshankar	Strength and Failure Analysis of Fiber Reinforced Plastic Joints for Composite Structures	2008
10	Dr.B.Viswanath	Development and Characterization of Mullite Coatings on Cast Aluminium for IC Engine Applications	2012
11	Dr.V.Sivananth	Composite Steering Knuckle for Automobiles	2015
