DISTINGUISHED ALUMNI

Mr. Dheenathayalan. R,
(1998-2002) - Mech

MCET kudos !!!

Mr. Dheenathayalan. R, our first batch Mechanical Engineering alumnus for being a part of Vocational curriculum revision of Higher Secondary School Education (Class 11 and 12) as a key stakeholder in the Automobile Domain under Industry Expert tag.

His experience includes Ashok Leyland Limited, Pricol Limited, Amtek Castings India Limited. On a coincidence, he met our first batch ECE alumnus **Mr.K.Nanthakumar IAS** is the Commissioner of School Education, Tamil Nadu currently.

A STEP AHEAD

My dream "officer in the Indian armed forces". A great salute to MCET – NCC which transformed me from a civilian to military BRAT. Regular involvement in sports, adventurous activities, drill and military basic training started turning me into an officer material. Participating in club activities gave a different growth in me. Motivation is not that something which can be created by someone it's created by self. The way to SSB(Service selection board) was really interesting where I cracked on my first attempt. The dream came true moment is something very special which gave me a quote "Dreams are nourished to achieve with **Sub-Lieutenant in Indian Navy**".

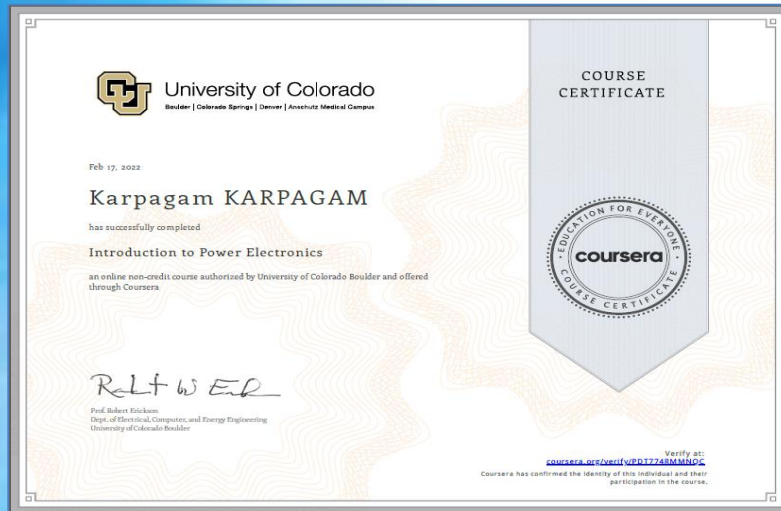

Mr. R. Branham
