It was my immense luck and fortune to be the part of MCET. The entire IT department leaves no stone unturned to shape one's future. My four years at MCET have been a wonderful experience of learning with prolific exposure to outside world. My huge respect, love and devotion are for entire faculty members. It's their effort that made me count myself into better professionals and I am thankful to Placement Cell for providing a platform to enhance my skills and an opportunity to showcase them.
