## CHESS ON THE MOVE !!!

Chess plays a vital role in my life. My rapport with chess begins from my 4th grade onwards. My father is the prominent inspiration in my chess journey. He sowed the seed of relaxation, mirth, and decision making through this game. Playing chess makes me feel relaxed and it refreshes me. Whatever the situation is, it energizes me every time.

I play a minimum of 5 matches per day either online or with my peers. I get cheered by the game moves of Vishwanathan Anand, Pragnanandha, and Magnus Carlsen. At present, it is a proud move in my life to learn, unlearn and relearn the tactics of Chess and to win every single game I play. Thanks to my dad again !!!
