SERENE SPOT

Everybody has a spot which encompasses pleasure, tranquility and influence. My favourite spot in @ MCET is a place of study, chat , rejoice and enthrall . It is Centenary Center which thrilled me during my first sight with engineering gimmicks and august gathering during I year Inauguration. Astounding and astonished at my first glimpse.

Secondly, I admired the illustrious and spectacular construction of blocks which renders me a spot to relax myself. Then I felt contented while watching students of all classes stroll on the MCET road on dusk.
