Alumni Testimony

**Mr.KARTHIKEYAN
SANTHANAKRISHNAN**

B.E. Mech (2001-05)
Operational Excellence Leader,
Gatesville, Texas,
United States

I have had a truly amazing learning experience in my life at MCET Campus in Pollachi. I came into mechanical engineering program not knowing a thing about tech and real-world and felt like I left 4 years later with a ton of knowledge of how to think and solid confidence to face global challenges. Library, Labs, and the infrastructure at campus are appreciable. The personality development and campus recruitment program made my huge steppingstone. I will be grateful to MCET, the faculty and students.

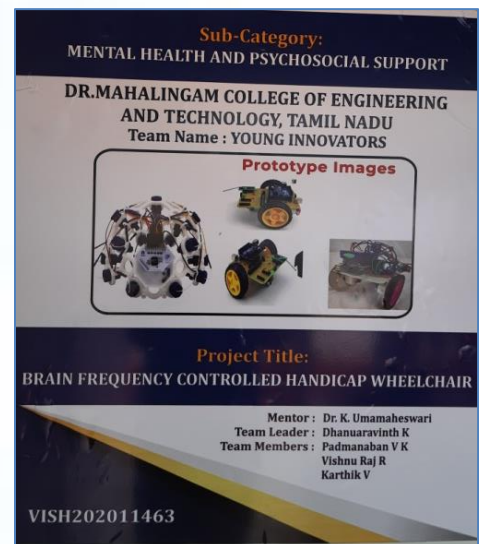

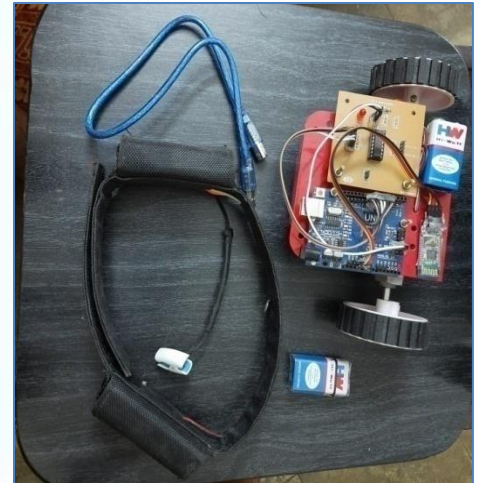

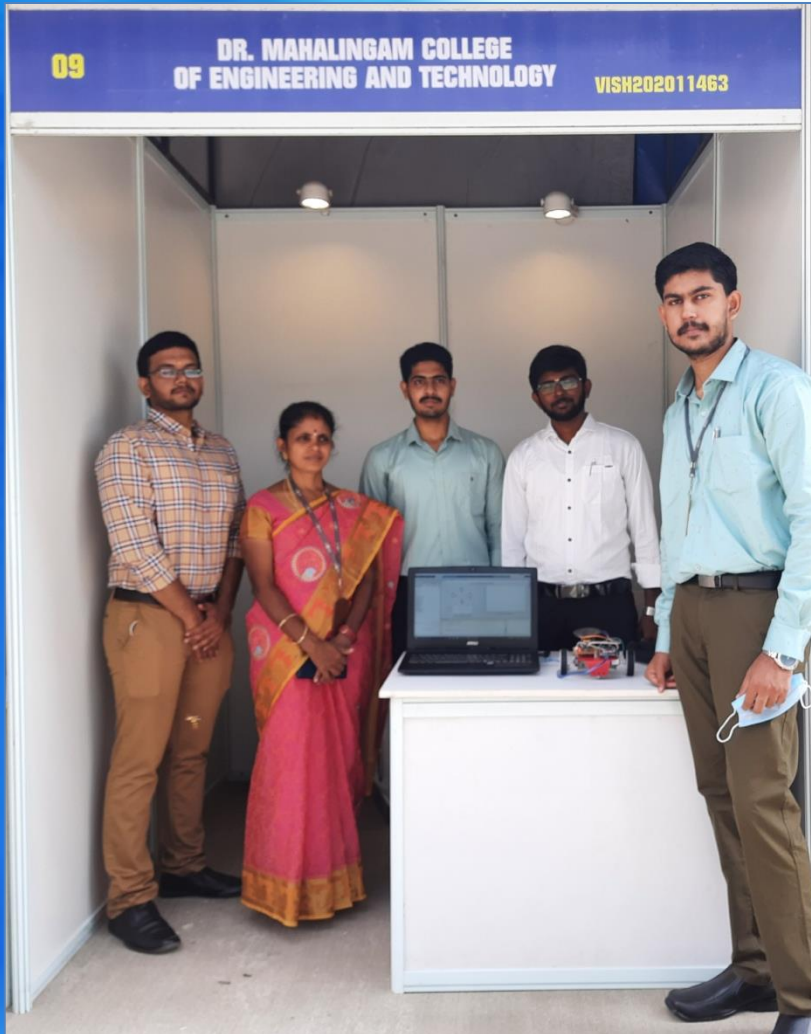

I owe my gratitude to MCET which has helped me to identify my interests in chess and photography and has given me enough opportunities to excel in my area of interest. I'm always indebted to CSE department's placement training sessions which improved my confidence level from null to full, to get placed in an IT concern. I can positively say that each and every student's wellness programme has transformed me to grow better, professionally and personally.

Harini Pooja R,

B.E. CSE (2017-21)
Associate Professional Software
Engineer,
DXC Technology
