CONGRATULATIONS !!!**ANVESHANA 2021-22 SOUTH KARNATAKA REGION FINALISTS**

Dear Students,

At the outset, we would like to thank all the participants for their enthusiastic response, for the time and effort given to the 11th edition of Karnataka Anveshana. The journey from initial application and then scrutiny to this Stage has been an exciting one for all of us. As you must now be aware, the overall objective of Anveshana is about mentoring young and vulnerable learners through innovative models of engineering, and broadening the horizons of the children. While selecting the projects the Screening Committee went through the project synopsis sent by various group on the relevance of theme, how clearly the project is broadening the knowledge of the young learners through the working models and the innovation component.

The projects have gone through different levels of screening, involving eliminations based on the synopsis sent, Execution and learnings. 32 projects have been selected for final competition out of 120+ projects registered. It was a tough job for the Jury to select the 32 Projects.

We take this opportunity to wish all the very best to all the finalists.

We thank you, with an earnest request to keep up this spirit of learning and teaching. Once again Congratulations for being selected for the final competition.

The competition will be held in online for the month of March 2022 last week (dates will be announced soon).

Now it's time for you to gear up the mentoring process. If you need any help please contact our coordinator **Bhaskar S V +91 8792479019, + 91 9986627027**
