## Voice of Alumni

**Arun A**  
**2012 Batch Civil**

As an Alumnus, I feel privileged to render my four years of splendid stay at MCET. My happy moments of undergraduate life immersed with incidents that have molded me what I am today. I was always apprehensive of how the college atmosphere would prevail but later I found it was a impressive moment.

I earned remarkable enhancement in my personality and learning with the able guidance of faculty members. Having gone through lots of hardships, it was my parents' dream to make me enter into Civil Engineering firm.

It became reality when I received employment in L&T Ramboll Consulting Engineers Ltd via our college placement drive. With this great satisfaction, I thank my alma mater for shaping me in all aspects.
