THE BRIEF HISTORY AND ORIGIN OF SYSTEMS ENGINEERING

1940s
The Apollo program demands a comprehensive set of good practices to tackle the technical challenges.
SE is born.

During the 70s
US Department of Defense adopts SE to manage complex projects.

SE trickles down to industries with complex product development processes:
aerospace, automotive, defense, medical, software.

GRATITUDE NOTE

DASARADH S K
Project Trainee
ZOHO Corporation
MCT (2018-2022)

MCET provided me with lots of highly valuable learning experiences. Faculty members here at MCET are very much helpful and friendly. Clubs like Robotics Learning and Development Cell helped me to learn and explore new things. I'm very much grateful to my college and the faculties for elevating my career.

MY THOUGHTS

Give a lot of
time to the
improvement of
yourself,then you
won't get time to
criticize others.
