Alumini Voice

**Roopini Rajaraman**

ICE (Batch 2008-2012)

Senior Systems Engineer (Continental Automotive Singapore Pvt Ltd)

Hi Friends,

Mackkinaickenpatti@Pollachi, the place exactly where our prestigious college is located and stands tall. This place and Pollachi. The day 1 began with the fresher's welcome program and the last day I still recall about the inaugural plans of Bosch Rexroth CoC which provides practical experience in Industrial automation technology. The journey of 4 years, I had witnessed tremendous efforts being taken by the faculty, the management team and the institution towards providing a competitive Education and imbibing life skills for the young minds to create an impact in one's own life. Not just academically but also our college provided platforms to explore in **sports, music, dance, academic clubs, youth parliament club and so on**. The best part in career prospects is that the Management runs conglomerate Industries to give an opportunity for the Students to **practically explore the industrial world** even before we step into an industry as an employee.

The best part for personal life is to **network with friends** from different backgrounds, diversified lifestyles and a genuinely supportive faculty team and a home away from home to take care of every student's personal obstacles as well. Education is one of the many ways to lead a successful and rightful life so explore in our institution and add more values to everyone's life. Dream as higher as you can as no one really knows the dawn and dusk of the universe, add morals to the society and let's make our family, friends and our institution proud every day. Keep rocking. Stay blessed and spread joy !!!

FACULTY PARTICIPATION

Dr.A.Noble Mary Juliet, Assoc.Prof/CSE acted as a Program Committee Member and Reviewer in the 2022 IEEE World Conference on Applied Intelligence and Computing (AIC 2022) organized by Rajkiya Engineering College, Sonbhadra.

Faculties of Mechanical Department attended seminar on MIC Driven Activity on 'Out of the box thinking for problem solving' through online mode.

INDUSTRIAL VISIT

Students of I-ECE B had their Industrial visit to **Sakthi Soyas**.

CERTIFICATIONS

**Yogesh M, Madhanadeva D** I-year Artificial Intelligence and Data Science Dept. wangled Certificate for the completion of “**Python for Beginers**” & “**Introduction to Artificial Intelligence**” courses respectively .
