Every Day is
EARTH DAY

TIFFINIMARIA, I ECE

HERE ARE JUST A FEW TIPS ON HOW YOU CAN HELP PROTECT OUR EARTH:

Reduce Paper Use!
Use both sides of your paper in notebooks. Encourage your parents to purchase bulk or items that use less packaging. Recycling just one-ton of paper keeps 17 trees from being cut down!

Turn Off Electronic Devices!
Turning off your TV, DVD player, stereo, or unplugging your iPod and cell phone charger when not in use will help reduce carbon in the air. Recycle or donate used cell phones and other electronics whenever possible!
