ALUMNI VOICE

Er. Kasthuri N
Civil - (2011 - 2015)
Assistant Engineer
Water Resources Department,
Pollachi

Being an alumna of MCET, I am very glad to share my golden days at MCET. I started my college life with new faces and environment but bidden with a gamut of emotions.

MCET provides ocean of opportunities, where we can select the field which we would like to flourish. As I want to get into the government sector, Our HoD and Staff members helped me to achieve the goal. One of the ideas to help us is to conduct free GATE classes for willing students. I could still remember that early morning and late evening GATE classes which played a major role in my life to be a Government employee as Assistant Engineer in Water Resource Department.

MCET given equal importance for non-academic part also to develop both intrapersonal and interpersonal skills through various club activities, sports, NSS, NCC etc. Looking back those days, I am very grateful to MCET.
