Sir,

Sub: Provision for grant of Permanent affiliation - Intimated - Reg.

\*\*\*\*\*

I am by direction to inform that the University has been considering for the grant of permanent affiliation for the academic programme(s) from 2005-06 at the affiliated colleges, subject to the satisfaction of the eligibility criteria evolved by the University.

Accordingly, the following programme(s) of your college are found to be eligible for the grant of permanent affiliation from the academic year 2005-06.

Sl.No.	Degree	Name of the Programme(s)
1.	B.E.	Mechanical Engineering

The provision for the grant of permanent affiliation presupposes the approval of AICTE for the programme(s) concerned for every academic year.

Once the permanent affiliation is granted, no inspection fee and affiliation fee will be collected for the programme(s) concerned for the subsequent academic years as long as the permanent affiliation is in vogue. However, for any increase in intake approved by the AICTE in the subsequent years, a one time payment of additional permanent affiliation fee will have to be made during the academic year concerned.

The details of fee payable for grant of permanent affiliation are as given below.

	Rs.
i. 'Permanent affiliation fee' for each of the academic programme(s) up to a sanctioned strength of 60 students	3,00,000
ii. 'Additional permanent affiliation fee' for each of the academic programme(s) with every additional sanctioned strength of 60 students or part there of	1,50,000
iii. Inspection fee for permanent affiliation of each of the already affiliated programme(s)	25,000

While raising the demand for fee payable for permanent affiliation from 2005-06, the inspection fee and affiliation fee already paid for the continuation of provisional affiliation for 2005-06, will be adjusted and the balance only will be collected.

You are requested to intimate your willingness or otherwise to the University for the grant of permanent affiliation for the above said academic programme(s) of your college on or before **20-12-2005**. On receipt of your willingness, the demand statement for the fee payable will be forwarded.

In this connection, the following provisions of the Anna University affiliation statutes under section 7.6.2 are brought to the notice of the management of the college:

*The college shall seek permanent affiliation for its provisionally affiliated programme(s) within a period of three years from the date of eligibility after satisfying all their requirements for permanent affiliation. The date of eligibility for a provisionally affiliated academic programme to apply for permanent affiliation is either the date on which three consecutive batches of students have completed their academic programme(s) from the college or the date on which this Statutes comes into force, whichever is later. If the college fails to seek and qualify for permanent affiliation for the programme(s) within the said period, the provisional affiliation shall not be extended.*

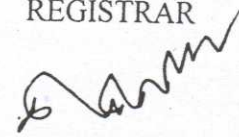

The affiliation statutes were gazetted on 22-09-2004 and therefore these provisions come into effect from the academic year 2005-06, for the purpose of granting permanent affiliation.

Forwarded / By order

Yours sincerely
