Activities for the AY 2022-23

❖ Skill Development Course on Welding & NDT for External Participants

MCET – TUV Rheinland Centre for Advanced Training (Welding and NDT) conducted several Welding and NDT Training Courses to the participants from various branches of Nexora Academy, Thiruvananthapuram and Federal Skill Academy ,Kochi that help individuals to develop the necessary expertise and certifications to excel in the welding area and contribute to the workforce with high-quality skills and knowledge.

❖ Value Added course for Engineering and Polytechnic Students on Arc Welding & NDT

Value Added course on Arc Welding and Non-Destructive Testing (NDT) for Engineering and Polytechnic students are mainly aimed to provide specialized skills and knowledge that can complement on core education in engineering and prepare the candidates for the practical aspects of their future careers in Welding. Nearly 400+ students from Dr. Mahalingam College of Engineering and Technology and Nachimuthu Polytechnic College had benefited from the above programme.

❖ Tamil Nadu Skill Development Corporation (TNSDC) Training on Arc Welding and NDT

Tamil Nadu Skill Development Corporation (TNSDC) sponsored training programmes on Arc Welding & NDT were conducted on MCET – TUV Rheinland Centre for Advanced Training (Welding and NDT) focused on providing skill development and training opportunities to students and youth to enhance their employability and career prospects. Nearly 40+ students benefited from the above training programme.

Activities for the AY 2022-23

❖ **Welding Training Programme for Industry Employees.**

MCET – TUV Rheinland Centre for Advanced Training (Welding and NDT) conducted several welding training programmes to the employees of Roots Industries India Private Limited, L&T Valves Coimbatore, and Sakthi Gears Products, Coimbatore that demonstrate a commitment to excellence and continuous improvement in the welding and NDT fields, which can have a positive impact on the operations, reputation, and competitiveness in their respective industries.
