When I joined MCET hailing from Tamil medium, a vital support was received from faculty team. I'm aware MCET imparts education as per present and future needs. The bundle of experienced faculty and placement team made us to realize our potential and bring the best in us. More emphasis is given on overall development includes Industrial visits, Guest lectures, Communication and personality development classes. Frequently Industrial experts were called to discuss and create awareness among the student community about the current developments and industrial expectations. The library is housed with all types of books and Journals. Digital library with 24 hours uninterrupted internet facility offered at that time is really commendable. I extend my sincere thanks to who contributes to keep our college on high.

STUDENT PARTICIPATION

Divakar S , Student of II Year CSE, has successfully completed the online certification course on “**Digital 101 Journey**” offered by A MeitY-NASSCOM Digital Skilling Initiative.
