Ms. T. Gowrisankari, AP, CSE
Mr. S. Gnanakumar, AP, Mech

Alumni Voice

Anand Kumar K K
Lead Consultant – Virtusa
President - SGS (2013 -2014)

The college atmosphere, hostel setup, hostel group studies, pool of clubs to take up responsibilities, occasions to wear Blazer suits, hundreds of events in seminar halls, symposiums, cultural, NCC strictness, the taste of toasted breads in hostel, finding ground spots for cricket are never forgettable life.

Text books, lectures, marks with no arrear history, repeated interactions with tech people outside text books, projects purely done by you either its a new/existing idea, small/big, cracking interviews, a properly framed start-ups with a structured vision or business with experienced people, understanding the struggles of society etc will going to help making the *first step of your independent career*.

We can observe a statement from many that engineering may not be a wise option as lakhs and lakhs of engineers graduates every year but no one can deny that Engineering has lifted up the families. It's the same case for any course as India is enormous. Let it be any course anywhere, if you can find options to utilize, you will keep going. *MCET provides lot of options to wisely choose.*

II YEAR LATERAL ENTRY INAUGURATION

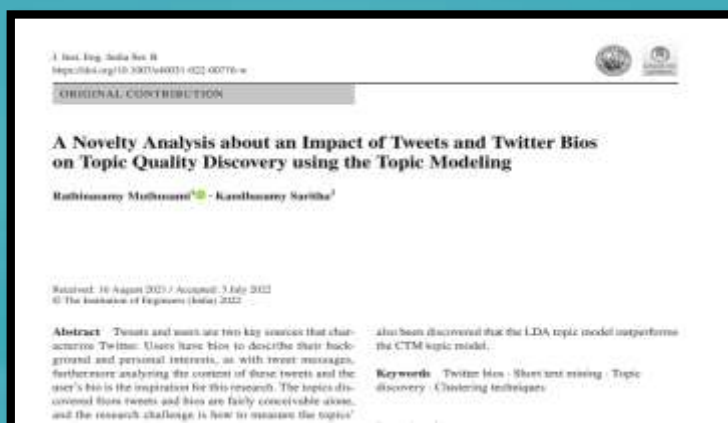

Inauguration of II Year lateral entry bridge course for the academic year 2022 – 2023 was held on 20.07.2022. Dr. A. Rathinavelu, Principal, MCET presided the inauguration. Dr.I .Rajendran (Sr.Prof & Head/Mech), Dr. A.Senthilkumar (Sr.Prof & Head/EEE), Dr.A.Sakthivel, (Assoc.Prof & Head/S&H) Dr.S.K. Ashok AP (SG)-Auto were present.

ALUMNI INTERACTION
